TAPE #47

3/4/93
9:19 P.M. - 10:05 P.M.

1 (Tape 47)

2 HENRY GARCIA: -- to handle the
3 responsibility that you thrust upon yourself and Linda.

4 DAVID KORESH: Right.

5 HENRY GARCIA: When you were in that
6 situation, you paid for that with the pain and
7 anguish --

8 DAVID KORESH: They could be --

9 HENRY GARCIA: -- that you --

10 DAVID KORESH: -- tried of God.

11 HENRY GARCIA: Exactly. Exactly. You paid
12 for it.

13 DAVID KORESH: Um-hum.

14 HENRY GARCIA: Okay? I mean, it, it was
15 difficult for, for you to know what to do in that
16 situation and you did what you had to. I, I think a
17 lot of it was just reaction. The -- you know, I mean,
18 all of a sudden here you get this information. You
19 don't know what to do with it. You don't know how to
20 deal with it --

21 DAVID KORESH: You mean, when, when you're
22 talking about is when God first began to communicate.

23 HENRY GARCIA: No, no, no.

24 DAVID KORESH: I --

25 HENRY GARCIA: I'm saying when, when, when
she told you that she was pregnant.

1 DAVID KORESH: Oh, yeah. Oh --

2 HENRY GARCIA: I mean, you didn't --

3 DAVID KORESH: -- definitely.

4 HENRY GARCIA: -- you didn't know what to do
5 with, with that situation. But then you paid the
6 price. Okay? You paid the price, the anguish that you
7 had to go through --

8 DAVID KORESH: Uh-huh.

9 HENRY GARCIA: -- as a result of being
10 separated from her -- or -- and of finding out, because
11 now you're looking forward towards having, you know,
12 the baby and it's going to be a part of you and you're
13 actually starting to, to think in terms of what your
14 life is going to be like.

15 DAVID KORESH: Right.

16 HENRY GARCIA: And, and --

17 DAVID KORESH: Then it's gone.

18 HENRY GARCIA: -- and then it's gone. And
19 then it's gone. My God. You know, what a, what a
20 difficult situation to live with, particularly when
21 you've been -- when you've had this very meaningful
22 relationship that you've always felt that you had with
23 God. You know?

24 DAVID KORESH: Because I didn't understand it
25 then. Because you've got to realize that this world is
really a nice place when you come under the flesh.

1 HENRY GARCIA: Um-hum. Here you were in a
2 situation where you needed to show responsibility and
3 you didn't.

4 DAVID KORESH: Didn't know how yet.

5 HENRY GARCIA: Exactly. Exactly --

6 DAVID KORESH: Was playing without the
7 responsibility of knowing what I was playing with.

8 HENRY GARCIA: Sure. Sure. Sure. But, you
9 know, I'm -- I, I hear -- I mean, I, I really like the
10 things that I hear you saying.

11 DAVID KORESH: See -- I don't mean to
12 interrupt you. I want to give you time to speak.

13 HENRY GARCIA: Go ahead.

14 DAVID KORESH: But this is what I was telling
15 Jim. I said Jim, in all honesty, we was coming out the
16 other day, in all honesty. But, Jim, my problem is is
17 that, in all honesty, these seals are really more
18 important than people realize and this is the time.
19 Look. I can't help it -- but Noah couldn't help it in
20 his day. Okay? I know -- I -- look. It doesn't hurt
21 my feelings. Like Psalms 19-- Psalms 119, those that
22 love God, nothing offends them. I mean, I, I, I, I
23 don't have any animosity to anything people say about
24 me at all. You know -- oh, I'm sorry. I'm sorry. I
25 put, I put my hand back behind the pillow there and
there was somebody underneath the other pillow and I --

1 HENRY GARCIA: Okay.

2 DAVID KORESH: Okay. But what I'm saying is
3 is that, you know, I'm here trying to explain to, to my
4 -- see, God, God's not what people think God is. Okay.
5 Look. Let's pretend you yourself -- let's pretend you
6 found the keys to the universe.

7 HENRY GARCIA: Um-hum.

8 DAVID KORESH: And you found this key, same
9 like Moses or Elijah --

10 HENRY GARCIA: Uh-huh.

11 DAVID KORESH: -- that deal, deal, deals with
12 the causal of nature.

13 HENRY GARCIA: Um-hum.

14 DAVID KORESH: Naturals of nature. Joy and
15 pain.

16 HENRY GARCIA: Um-hum.

17 DAVID KORESH: Warm and cold.

18 HENRY GARCIA: Um-hum.

19 DAVID KORESH: Wet and dry.

20 HENRY GARCIA: Um-hum.

21 DAVID KORESH: And let's, let's say that you
22 so -- you didn't learn school -- you didn't learn the
23 patterns of the system, but you simply became
24 acquainted with the natural nature and the both
25 comforts and the pains of the natural nature and you
went the middle road.

1 HENRY GARCIA: Um-hum.

2 DAVID KORESH: Which is wisdom.

3 HENRY GARCIA: Um-hum.

4 DAVID KORESH: Okay. And let's say that,
5 that unlocked them to you. Solomon calls it the secret
6 place to stairs. Okay?

7 HENRY GARCIA: Um-hum.

8 DAVID KORESH: And, and you, and you actually
9 were being judged not knowing. And that ability or
10 that wisdom or that humanity, which has gone way beyond
11 you --

12 HENRY GARCIA: Um-hum.

13 DAVID KORESH: -- that dwells beyond the
14 stars or throughout the planets and other stars, they
15 counselled and they said okay, let's go and let's take,
16 let's take Henry here --

17 HENRY GARCIA: Um-hum.

18 DAVID KORESH: -- and let's, let's go and
19 let's, let's go ahead and manifest the reason and
20 purposes of this, of this life which he has. Let's
21 give him the answers and, and we'll use him, because,
22 you know, he has already, from basic natural
23 simplicity, already shown that he's in the direction
24 which allows men to be redeemed or, or be transferred
25 from this. Because, you know, with, with these
principles established in our minds and hearts, we, we

1 | can guarantee the safety of all those other billions of
2 | millions of billions of millions of governments --

3 | HENRY GARCIA: Um-hum.

4 | DAVID KORESH: -- all under the one prime
5 | government.

6 | HENRY GARCIA: Um-hum.

7 | DAVID KORESH: Okay. And, so, so you had
8 | this experience and it's like you know it and you have
9 | to speak very simply to people and only those who are
10 | looking and knocking and asking can look at you and
11 | say, well, okay, what do you know. And, so, you tell
12 | them what you know and they go, well, how -- well, how
13 | did you learn that? So, you begin to unfold the seals.
14 | And then you explain to them well, I -- this happened
15 | to me. And they go well, I've always wanted to know
16 | this. So, then you -- the knowledge becomes mutual.
17 | Right?

18 | HENRY GARCIA: Right.

19 | DAVID KORESH: Okay. So, then what happens
20 | is, is that then we become confronted with a situation
21 | to where man, who has not been given this understanding
22 | as of yet, are to be judged because we come to a crisis
23 | called time no longer, where the nations of the earth
24 | are making moves to, to u-- to capitalization to form
25 | another form of government, move into the last phase
which providence says they will move into. And,

1 remember, there's only one Messiah.

2 HENRY GARCIA: Right.

3 DAVID KORESH: That's the Word of God.

4 HENRY GARCIA: Right.

5 DAVID KORESH: And from, and from, and from
6 Adam all the way down, there's only one sons of God.

7 HENRY GARCIA: Um-hum.

8 DAVID KORESH: Those who hear God's words.

9 HENRY GARCIA: Um-hum.

10 DAVID KORESH: And, remember, if, if -- the
11 greatest of us is to be the servant of all. You know,
12 you, you'll notice, you'll notice that, that, that I
13 have never flaunted or, or tried to become something
14 that I'm, that I'm not. I mean, you know --

15 HENRY GARCIA: Uh-huh.

16 DAVID KORESH: -- I don't -- you know, you've
17 seen my car out there, that black Camero.

18 HENRY GARCIA: Um-hum.

19 DAVID KORESH: Well, it's something we built
20 together.

21 HENRY GARCIA: Uh-huh.

22 DAVID KORESH: And other guys built things
23 together, you know.

24 HENRY GARCIA: Uh-huh.

25 DAVID KORESH: I mean, I have to admit one
time a person thought that I needed a better car, and

1 | so they bought me a, a, a Prelude, a new Prelude, but I
2 | got rid of it after a few months because it just, it
3 | just does-- it just didn't seem right.

4 | HENRY GARCIA: Um-hum.

5 | DAVID KORESH: And, besides, it just didn't
6 | have no power anyway.

7 | HENRY GARCIA: Uh-huh.

8 | DAVID KORESH: Okay. So, what I'm saying is
9 | I'm saying that I know and I am willing to be or to
10 | take whatever punishments that, you know, that would
11 | help the world to see that what I believe in is
12 | something that I will believe in and give me life.
13 | Because, see, God has given me this life and nobody can
14 | ta-- really take this life from me. And my greatest
15 | sorrow is that -- you know, like I'm, like I'm standing
16 | before my God and I'm explaining to God that -- you
17 | know, like with Robert with the, with the ATF agents
18 | that came here --

19 | HENRY GARCIA: Um-hum.

20 | DAVID KORESH: -- you know, honestly, I did
21 | everything in my -- I was going to let him stay here
22 | and live with us.

23 | HENRY GARCIA: Uh-huh.

24 | DAVID KORESH: We'd already made arrangements
25 | for that.

 HENRY GARCIA: Yes.

1 DAVID KORESH: I told him. I said Robert, I,
2 I -- look -- I -- see, I knew who he was anyway.

3 HENRY GARCIA: Um-hum.

4 DAVID KORESH: And the reason why we knew
5 you'all were coming was not from a phone call. That
6 morning, you know, when they said a phone call was
7 coming in --

8 HENRY GARCIA: Uh-huh.

9 DAVID KORESH: -- that was fake. I'd
10 already, I'd already told them, you know, and they was
11 wanting to know. So, they said, you know, there's a
12 phone call. And they asked me, they says, the -- well,
13 what's going on? I said, look, don't worry about it.
14 I'm going to talk to Robert right now. And, you know,
15 we've been giving him studies and I -- and I'm pretty
16 sure that he's going to realize, you know, to hold this
17 thing off. So, I went back out and told him, I says,
18 oh, it was nothing. You know. And, so, I, I started
19 telling him. I says, now, Robert -- and I looked him
20 straight in the eye. I said, you know, I've been
21 honest with you. You know, I've brought you over here.
22 I've given you several studies. You know. And I said,
23 and I expect, you know, I expect you to really, you
24 know, apply your heart to what you've been learning
25 because you know it's true.

 HENRY GARCIA: Uh-huh.

1 DAVID KORESH: You know. And, and -- you
2 know, I know that things are happening, and what I want
3 you to realize is is that, you know, I want you to do
4 what you've got to do, because you know I'm going to do
5 what I'm going to do.

6 HENRY GARCIA: Um-hum.

7 DAVID KORESH: You know. And he looked at me
8 like, you know, it's like a surprise is, all right, and
9 I -- and, and I thought for sure that he understood
10 that I -- what I was asking from him was for him to go
11 out and say, look guys, let's hold off on this. Let's
12 deal with it a different way.

13 HENRY GARCIA: Uh-huh.

14 DAVID KORESH: You know. But I actually
15 think that there was a mess-up. Because, you know,
16 there is, there is, there is a, there is a -- there's
17 other beings that have been rejected out of the
18 communion of what the universe holds.

19 HENRY GARCIA: Uh-huh.

20 DAVID KORESH: And they, and they, they try
21 to promote us in the sensuality and overbearing and,
22 and, and evil, and they try to get us into the spirit
23 of, like, yeah. You know, you know, like this evil --
24 you know, getting free off of the hurting pain of
25 others.

 HENRY GARCIA: Um-hum.

1 DAVID KORESH: You know. And, and it didn't
2 work.

3 HENRY GARCIA: Uh-huh.

4 DAVID KORESH: And I've been trying to
5 explain to, to God through the communications that are
6 coming -- I'm trying to explain that, you know, Robert
7 in himself more than likely had a battle that morning
8 -- because like, you know, when he would come over,
9 he'd like -- he like brought his pistol over and he
10 brought, you know, his, his target pistol --

11 HENRY GARCIA: Um-hum.

12 DAVID KORESH: -- and he brought his AR, the
13 107 Twish (phonetic), you know, the, the one that
14 shoots heavier grain tracer rounds?

15 HENRY GARCIA: Uh-huh.

16 DAVID KORESH: It's a sniper rifle, is what a
17 lot of, you know, guys use them in the, in the police
18 and stuff.

19 HENRY GARCIA: Uh-huh.

20 DAVID KORESH: And he had such a, an awesome
21 trigger job done on that, that -- I mean, I told him, I
22 says, you know -- I, I shot it for him and all that,
23 you know, and, and -- I told him, I says, I says,
24 Robert, I says, you know what you've got here? I mean,
25 honestly, we did everything to let those guys next door
know that we were -- that they were ATF agents, you

1 | know, and, and we let them come in and, you know, I
2 | told him, I says, Robert, look if you give me time --

3 | (Child crying in background.)

4 | DAVID KORESH: What, what's wrong with the
5 | baby?

6 | (Child crying in background.)

7 | DAVID KORESH: Well, well, well, well, go, go
8 | check on him. I -- you know, I told him, I said, if
9 | you give me time, if you learn these seals, you'll know
10 | everything there is to know about me. I'll hide
11 | nothing from you. Then that newspaper article came out
12 | Monday with all those accusations and all those, all
13 | those twisted up and turn-around things about me, you
14 | know.

15 | HENRY GARCIA: Um-hum.

16 | DAVID KORESH: Okay. Like that one tape they
17 | play? It says, it says, who's this on the throne? You
18 | know, I'm screaming, right?

19 | HENRY GARCIA: Uh-huh.

20 | DAVID KORESH: But, but the reasons behind
21 | that is is that people had been doing things that you
22 | just don't do when you're supposed to be following
23 | Christ. This concept that, that people, you know, are
24 | always happy and holy people because they believe in
25 | Jesus is wrong.

HENRY GARCIA: That's right.

1 DAVID KORESH: I mean, a lot of people that
2 come into the house of God are really very evil people.

3 HENRY GARCIA: Um-hum.

4 DAVID KORESH: And they had to be dealt with,
5 with, with a rebuke.

6 HENRY GARCIA: Um-hum.

7 DAVID KORESH: Now, that one tape they play
8 around where it talks about when I put my, my, my horn
9 inside of a woman's body, you know, and all this kind
10 of stuff, I forgot what tape it was, you see, unless a
11 person knew what it means between a priest and a
12 sanctuary -- okay. The first priest of God, the first
13 mediator of God was Adam. And where -- what -- where
14 was his first church at? Where was his first church?
15 Where did he get his congregation from?

16 HENRY GARCIA: Who are you asking about?

17 DAVID KORESH: Adam.

18 HENRY GARCIA: Adam?

19 DAVID KORESH: Yeah, Adam.

20 HENRY GARCIA: In the Garden of Eden?

21 DAVID KORESH: That was his church?

22 HENRY GARCIA: I'm, I'm asking is that --

23 DAVID KORESH: Okay. Okay. Let's say, let's
24 -- let's say his first sanctuary was the Garden of
25 Eden, okay?

 HENRY GARCIA: Um-hum.

1 DAVID KORESH: Who was his real garden
2 though?

3 HENRY GARCIA: Eve.

4 DAVID KORESH: Eve. See, it's beautiful.
5 It's -- and, and inside of a woman's body is two
6 bridges. They're called, they're called ovaries.
7 Okay?

8 HENRY GARCIA: Um-hum.

9 DAVID KORESH: And man being made from the
10 dust is just like the plants, after his kind, the
11 scripture says. Seed in the earth; man's seed in the
12 woman. And that's why -- and it talks about in the, in
13 the -- between, between the woman and her seed and the
14 devil's seed. And Zechariah's prophet shows you the
15 canister with the golden bowl. Now, when it talks
16 about the anointing and talks about they would be
17 anointed and I, and I will anoint you, the actual
18 knowledge of the anointing was -- is that when God rose
19 up a prophet or a king, he wanted to make a covenant
20 with them, that if they would keep his laws he would
21 also anoint him as king and, and give the same gifts to
22 the offspring.

23 HENRY GARCIA: Um-hum.

24 DAVID KORESH: Now. Okay. So, a man's not a
25 king until he becomes anointed, right?

 HENRY GARCIA: Um-hum.

1 DAVID KORESH: Okay. So, if you're Adam, the
2 only way you could become a king is if you're anointed.
3 Now, you can't be anointed unless you have a kingdom.
4 And the first part of your kingdom starts with the
5 anointed. And the woman, the woman anoints you. Well
6 -- ah, I know it sounds funny at first, but this is,
7 this is coming from a higher source than us.
8 Everything in God's kingdom is poetic and in harmony.
9 God made Adam a king by giving him Eve, by giving him a
10 chance to become one with his own soul.

11 HENRY GARCIA: Um-hum.

12 DAVID KORESH: The way you become one with
13 God is by becoming one with God's image, becoming one
14 with your own glory. The way you love God is by loving
15 yourself. The way you love yourself is by becoming one
16 with one that is given to you of God, the woman. The
17 man with the woman. She anoints you. Your horn is a
18 symbol of your power, your power to be as God, to
19 procreate. Now, when you procreate, you have children.
20 Right?

21 HENRY GARCIA: Um-hum.

22 DAVID KORESH: I mean, she believes you're a
23 king, doesn't she?

24 HENRY GARCIA: Yep.

25 DAVID KORESH: And she anoints you, doesn't
she?

1 HENRY GARCIA: Um-hum.

2 DAVID KORESH: Okay. And then she gives you
3 a kingdom, doesn't she?

4 HENRY GARCIA: Right.

5 DAVID KORESH: Then you have one, two, three,
6 four, five, six, fifteen, twenty, thirty, forty, fifty,
7 100, 1,000, maybe 2,000, 20,000, maybe a million kids.
8 Now, who is king? You are.

9 HENRY GARCIA: Right.

10 DAVID KORESH: And everyone else is brethren.

11 HENRY GARCIA: Um-hum.

12 DAVID KORESH: Okay. Well, that's what the
13 kingdom of God is. Through God and his glory, all that
14 is made is begotten of the one spirit. So, that woman
15 in Revelation 12, she is real. She's not, she's not a
16 church. It says that John saw the temple of God open
17 in heaven and behold a great wonder of woman. No.
18 See, the temple is the temple. But the Sikina
19 (phonetic) or, or the, or the Shaddai (phonetic), the
20 great-breasted one? I mean, this is the one that Moses
21 saw where, where, where Moses says to God, Yaveh,
22 havey, havey (phonetic). He says, you know, let me see
23 Thy glory. And, and, and God says you may see only the
24 hind part of my glory, for no man can see the face of
25 my glory and live. And you know what Moses saw in the
mount that made his face shine? A woman. I mean -- I

1 know. See, to, to, to, to men of the world, there's so
2 many things they don't understand.

3 HENRY GARCIA: Um-hum.

4 DAVID KORESH: But, you know, God says -- I
5 mean, let's go back to basic scripture. And God said,
6 let us make man in our image after our likeness. Okay?
7 Right?

8 HENRY GARCIA: Um-hum.

9 DAVID KORESH: So, what did God make? Male
10 and --

11 HENRY GARCIA: Female.

12 DAVID KORESH: Exactly. So, so, when, when,
13 when Christ came to die, when God came in the form of
14 humanity, okay, the one sitting on the throne, when he
15 came to die -- he didn't marry, did he?

16 HENRY GARCIA: No.

17 DAVID KORESH: But out of his side came blood
18 and what --

19 HENRY GARCIA: Fluid.

20 DAVID KORESH: Blood and water. Exactly.
21 Now, some people say well, what that was is that the
22 blood separated and everything from the plasma and
23 everything, and that's not what the scripture said,
24 because the prophecies will tell you that it will be a
25 fountain of water and a fountain of blood. And the one
who tells you that is the one who originated it, which

1 is called the wisdom of heaven. Okay. When you read
2 Proverbs 8 and 9 -- okay. Now, for instance, people
3 say how do I know the scriptures, right?

4 HENRY GARCIA: Um-hum.

5 DAVID KORESH: Well, let me explain this.
6 How do you learn a phone number? You memorize it,
7 right?

8 HENRY GARCIA: That's right.

9 DAVID KORESH: I mean, but you've got to use
10 it.

11 HENRY GARCIA: Um-hum.

12 DAVID KORESH: Okay. Well, if you was to
13 study in my past records, my biggest problem was the
14 ability to -- of not to comprehend. I mean, I, I
15 didn't know my alphabet till the third grade, and I
16 still didn't know it that well, because I did not have
17 attention. I did not have a stuttering problem. I
18 didn't have the ability as a child to be able to read
19 and comprehend what I was reading. But when you see
20 the whole picture, when God shows you everything --

21 HENRY GARCIA: Um-hum.

22 DAVID KORESH: -- the whole picture, then all
23 of a sudden I, I -- all my early days I could remember
24 pictures.

25 HENRY GARCIA: Hmm.

DAVID KORESH: I mean, I, I did know the

1 mysteries in regards to nature and the different kinds
2 of trees and bugs, and I did have a good memory with
3 regards to anything to do with my visual, but not
4 through visual through hieroglyphics. I couldn't
5 understand reading and writing, but I could understand
6 looking at a car or a motor or anything I could touch,
7 put my hands on.

8 HENRY GARCIA: Um-hum.

9 DAVID KORESH: Okay. So, when, when I was
10 given the knowledge of the visions, when I was shown,
11 you know, the whole story that, that the Bible's
12 already a record about -- you know, I'm not the first
13 one that's been shown this.

14 HENRY GARCIA: Um-hum.

15 DAVID KORESH: I mean, this has been shown
16 all the way back to the days of Moses.

17 HENRY GARCIA: Uh-huh.

18 DAVID KORESH: You know. Then all of a
19 sudden that, that's what I say, you know, I know who
20 the sons of God are. You know, I know who the Bible
21 writers are. You know? And I know that -- like, for
22 instance, when it says in Isaiah 45 about Koresh, it
23 says, it says, thus sayeth the Lord to his anointed --
24 which in the Hebrew is Meshia (phonetic), Messiah -- to
25 Koresh, whose right hand I have holden up, for I will
subdue nations with him and overthrow kingdoms. Okay?

1 HENRY GARCIA: Um-hum.

2 DAVID KORESH: Now, it says here -- it says,
3 ask of me things to come concerning my sons and the
4 works of my hands commend you me. Okay. So, in other
5 words, the first thing that, that we learn about is
6 that the only reason why that the father gives the book
7 to the lamb in heaven -- right?

8 HENRY GARCIA: Uh-huh.

9 DAVID KORESH: -- is so that he can come and
10 give it to who? Everybody else.

11 HENRY GARCIA: Um-hum.

12 DAVID KORESH: Give his -- or everybody else.
13 Okay. So, it's kind of like God is like this, God's
14 going to give one little boy an ice cream cone --
15 right?

16 HENRY GARCIA: Um-hum.

17 DAVID KORESH: -- and to go outside and say
18 look what I got. Wow. You want some? And all the
19 kids go yeah. You know?

20 HENRY GARCIA: Um-hum.

21 DAVID KORESH: And all those that don't get
22 jealous, get angry, get mad, they go yeah, where'd you
23 get that? He says, well, come in hither and I will
24 show you.

25 HENRY GARCIA: Um-hum.

DAVID KORESH: And, you know, this is, this

1 | is the father. He's got the ice cream scooper. He's
2 | got the ice cream out and this is a free gift. You
3 | see?

4 | HENRY GARCIA: Um-hum.

5 | DAVID KORESH: So, that's the way it works.
6 | Now, now, if I say I'm Jesus Christ or I'm the Son of
7 | God, I mean, come on. No one's going to believe that.

8 | HENRY GARCIA: Um-hum.

9 | DAVID KORESH: You know? And --

10 | HENRY GARCIA: Hmm.

11 | DAVID KORESH: -- it's -- that's, that's why
12 | it says in, in Matthew 24 when the Son of Man shall
13 | come. You see, this is God referring to when the Son
14 | of Man shall come. Why? Because all sons of men are
15 | the sons of God. They just don't know it yet.

16 | HENRY GARCIA: Um-hum.

17 | DAVID KORESH: They're, they're, they're
18 | still out having their prodigal and they haven't come
19 | to their senses yet.

20 | HENRY GARCIA: Um-hum.

21 | DAVID KORESH: Who wants to live their lives
22 | feeding pigs when there is existences above and beyond
23 | that are doing far better than us?

24 | HENRY GARCIA: Um-hum.

25 | DAVID KORESH: So, anyway, when you look at
Proverbs 8 and 9 -- okay. For instance, it says let

1 him have the wisdom, count the number of the beasts.

2 I, I think you'll really enjoy this, especially when --

3 it'll help bring you and your wife closer together.

4 It's Proverbs 8 and 9.

5 HENRY GARCIA: Um-hum.

6 DAVID KORESH: Because, see, the, the final

7 judgment that we're trying to settle here, you know,

8 for, for the one that I work for -- and that sounds

9 funny, I know, but -- it says, it says right here.

10 Okay. Proverbs 8 and 9. You don't have a Bible there,

11 do you?

12 HENRY GARCIA: No, I don't have it right

13 here.

14 DAVID KORESH: Okay. It says right here.

15 I'll, I'll just read it to you. This, this is taken

16 from Proverbs. And it says, let not wisdom cry and

17 understanding put forth her voice. You know what a

18 conscience is, don't you?

19 HENRY GARCIA: Um-hum.

20 DAVID KORESH: Okay. And it says also, it

21 says down here, she's standeth at the top of the high

22 places by the way and the places of the path. She

23 crieth into the gates at the entry of the city at the

24 coming in at the doors. Unto you, oh, men, I call, and

25 my voice is to the sons of man. When you read this

conscience like -- um, I shouldn't do that?

1 HENRY GARCIA: Um-hum.

2 DAVID KORESH: Yeah. Okay. Oh, ye simple,
3 understand wisdom, and ye fools. Ye of an
4 understanding heart, hear, for I will speak of
5 excellent things. And the opening of my lips shall be
6 of right things, for my mouth shall speak truth. And
7 wickedness is an abomination to my lips. All the words
8 of my mouth are in righteousness. There is nothing
9 forward nor perverse in them. They are all plain to
10 him that understandeth and right to them that find
11 knowledge. Receive my instruction and not silver, and
12 knowledge rather than the choice gold, for wisdom is
13 better than rubies. And all the things that may
14 desired are not to be compared to it. I, wisdom, dwell
15 with prudence and I find out knowledge and witty
16 inventions. The fear of the Lord is to hate evil.
17 Pride and arrogancy. And the evil way and the forward
18 mouth do I hate. Counsel is mine and sound wisdom. I
19 am understanding. I have strength. From -- by me
20 kings reign and princes decree justice. By me, princes
21 rule and nobles, even all the judges of the earth. I
22 love them that loves me. And those that seek me early
23 shall find me. Now, remember Psalms 2? It says be
24 wise ye kings of the earth? Remember that one?

25 HENRY GARCIA: Um-hum.

DAVID KORESH: Okay. Now, you'll understand

1 | that statement after we get through with this. Okay.
2 | I love them that love me and people that seek -- find
3 | me early will -- seek me will find me early.

4 | HENRY GARCIA: Um-hum.

5 | DAVID KORESH: Riches and honor are with me.
6 | Durable riches and righteousness. My fruit is better
7 | than gold, hidden fine gold, and my revenue than choice
8 | silver. I lead in the ways of righteousness in the
9 | midst of the paths of judgment that I may call those
10 | that love me to inherit substance --

11 | HENRY GARCIA: Um-hum.

12 | DAVID KORESH: -- and I will fill their
13 | treasures. For the Lord possessed me in the beginning
14 | of his way. This is awesome. Before his works of old
15 | I was set up from everlasting. From the beginning,
16 | wherever the earth was, -- even before the earth was,
17 | when there were no depths I was brought forth.

18 | HENRY GARCIA: Um-hum.

19 | DAVID KORESH: When there was no fountains
20 | abounding with water, before the mountains were set --
21 | I got to, I got to see this. This is, this is awesome.
22 | Before the hills was I brought forth. Remember Eve
23 | came out of Adam's side?

24 | HENRY GARCIA: Uh-huh.

25 | DAVID KORESH: Okay. Watch this. While as
yet he had not made the, the earth nor the paths,

1 | fields nor the highest places or the dust of the world,
2 | when he prepared the heavens I was there. But he said
3 | it cometh on the face of the depth. When he
4 | established the clouds above, when he strengthened the
5 | foundations in the deep, when he gave to the, the sea
6 | his decree that the water should not pass his
7 | commandment, when he appointed the foundations of the
8 | earth, then I was by him as one brought up with him and
9 | I was daily his delight. Now, this, this, this used
10 | to, this used to -- when I saw this, when I was allowed
11 | to see this, I mean, literally see this with my eyes?

12 | HENRY GARCIA: Um-hum.

13 | DAVID KORESH: You know, God said let us make
14 | men in our image?

15 | HENRY GARCIA: Um-hum.

16 | DAVID KORESH: Us? Aw. People think that's
17 | God the Father and God the Son. What was the image God
18 | made? Male and --

19 | HENRY GARCIA: Female.

20 | DAVID KORESH: Female. Now, no. See,
21 | there's, there's something that's really off in there.
22 | Mona's got to see her backside. Now, watch this. It
23 | says here: when he appointed the foundation of the
24 | earth, then I was by him as one brought up with him and
25 | I was daily his delight, rejoicing always before him,
rejoicing in the habitable parts of his earth. Now,

1 watch this: and my delights were with the sons of men.
2 You know, Christ loves us, don't he? He loves guys,
3 right?

4 HENRY GARCIA: Um-hum.

5 DAVID KORESH: Who do you think this wisdom
6 loves? What was with the sons of men? Women.

7 HENRY GARCIA: Um-hum.

8 DAVID KORESH: I mean, this is awesome. Now,
9 therefore, harken unto me oh ye children for blessed
10 are they that keep my ways. Hear instruction and be
11 wise and refuse it not. Now, watch this. This is
12 serious. Blessed is the man that heareth me, watching
13 daily at my gates, waiting at the posts of my doors.
14 What gates? What door? Well, you know, what, what,
15 what gates? What door? Where's this wisdom found?
16 You know, where is she found? Wisdom, she, right?

17 HENRY GARCIA: Um-hum.

18 DAVID KORESH: For who so findeth me findeth
19 life and shall obtain favor of the Lord. I want that
20 wisdom, right? But he that sitteth against me wrongeth
21 his own soul. All they that hate me love death. Now,
22 you've heard against some-- you've heard about the sin
23 against the Holy Spirit, right?

24 HENRY GARCIA: Um-hum.

25 DAVID KORESH: Jesus says wisdom is justified
of her own children. Now, wisdom hath buildeth her

1 | house. She hath hewn out her seven pillars. She hath
2 | killed her killing. She hath mingled her wine. She
3 | hath also furnished her table. Now, remember the body
4 | of Christ?

5 | HENRY GARCIA: Um-hum.

6 | DAVID KORESH: Christ said I'll destroy this
7 | temple and in three days rise it up?

8 | HENRY GARCIA: Um-hum.

9 | DAVID KORESH: Okay. She hath sent forth her
10 | maidens. She crieth upon the highest places of the
11 | city. Who so is simple, let him turn in hither and
12 | have for him the one understanding she sayeth. Come
13 | eat of my bread and drink of the wine which I have
14 | mingled. What with that mind would mock the wine
15 | mingled with? Water. Blood and water.

16 | HENRY GARCIA: Um-hum.

17 | DAVID KORESH: Now, who built the body of
18 | Christ? What is this temple. What was Revelation
19 | Chapter 12, which takes place after Chapter 11.
20 | There's where this mystery is finally revealed. Let me
21 | show you now. I mean, this, this is, this is -- see,
22 | in the Dark Ages, man didn't even -- they lost the
23 | whole knowledge of woman's image of the Godhead, you
24 | know?

25 | HENRY GARCIA: Um-hum.

 DAVID KORESH: They just thought well, you

1 know, God just made me this woman here just to, you
2 know, have fun with and all that. That's not the case.
3 Now, watch. Okay. In Chapter 11 of Revelation -- you
4 know, Chapter 10 the mighty angel comes down, so we
5 know there's a message in the last days, right?
6 Chapter 10, verse 7, days of -- seventh angel, time no
7 longer, seven thunders, right?

8 HENRY GARCIA: Um-hum.

9 DAVID KORESH: So, in Chapter 11, there was
10 given me a reed like unto a rod. The angel stood,
11 saying rise and measure the temple of God, which is
12 this -- this is how the temple is measured in heaven.
13 It's counted. Okay? And the altar, and them that
14 worship therein. Now, if you don't, if you don't come
15 up hither and you don't learn these seven seals, you're
16 not worshiping in the temple of God. But the court
17 which is without the temple leave not and measure it
18 not for it's given to the Gentiles. And the Holy City
19 shall they tread under foot forty-and-two months. So,
20 this period of time, they, they don't care about this
21 truth of the sanctuary. They don't care about the
22 mighty angel. They don't care about the seven seals.
23 They -- you know, this has been taking place for quite
24 awhile now and it's finishing up. And I'll give power
25 to my two witnesses and they shall prophesy a thousand
two hundred three score days, which is the same period

1 of time, clothed in sackcloth, which means, you know,
2 no one has the answers to these two witnesses because
3 hey, you know, the Gentiles don't care. They trample
4 under the foot. Okay. Now, in Zechariah's prophecy,
5 Zechariah showed you a rock with seven eyes?

6 HENRY GARCIA: Um-hum.

7 DAVID KORESH: He showed you seven
8 candlesticks --

9 HENRY GARCIA: Um-hum.

10 DAVID KORESH: -- and he showed you seven
11 lamps on the candlesticks and two olive trees. And the
12 Spirit says this has the word of the Lord to those who
13 come from Babylon, saying they cannot do it under their
14 own might nor by their own power, but only by God's
15 spirit, which is God's word. You can't get out of
16 Babylon by your own mind or by your own power. It's
17 got to be something that's shown to you in the light of
18 these seven candlesticks is what Zechariah says.

19 HENRY GARCIA: Um-hum.

20 DAVID KORESH: So, it's just like, you know,
21 the same as -- okay. God's the rock. Zechariah is
22 true. God is the rock. He has seven eyes. He, he
23 writes the book. Christ is the lamp. He has seven
24 eyes. And, you know, the seven seals have to be known.
25 These are the two olive trees and two candlesticks
standing before the God of the earth. And if any man

1 | will hurt them, prophecies out of their mouth and
2 | devour them, their enemies, if -- if any will hurt
3 | them, he must in this manner be killed.

4 | HENRY GARCIA: Um-hum.

5 | DAVID KORESH: These have power to shut
6 | heaven, that it rain not on the days of their prophecy,
7 | and have power over the waters to turn them to blood
8 | and do smite the earth as often with plagues as often
9 | as they will. Now, you know Moses and Elijah did they
10 | anciently, right?

11 | HENRY GARCIA: Um-hum.

12 | DAVID KORESH: No. Really, Christ did it
13 | through them.

14 | HENRY GARCIA: Oh, okay.

15 | DAVID KORESH: You see? See, that's the
16 | whole meaning. 2,000 years ago the two witnesses of
17 | Christ's kingdom was is that -- well, they were the
18 | mode of transfiguration. Both Moses and Christ and
19 | Elijah stood together, didn't they?

20 | HENRY GARCIA: Um-hum.

21 | DAVID KORESH: As one. Right?

22 | HENRY GARCIA: Um-hum.

23 | DAVID KORESH: I mean, Christ worked through
24 | Moses and Christ worked through Elijah. Right?

25 | HENRY GARCIA: Through the two of them.

 DAVID KORESH: Exactly. But they all were of

1 one spirit, weren't they?

2 HENRY GARCIA: Um-hum.

3 DAVID KORESH: Only Christ was perfect
4 though.

5 HENRY GARCIA: Um-hum.

6 DAVID KORESH: And those other two were just
7 looking to him that was perfect?

8 HENRY GARCIA: Um-hum.

9 DAVID KORESH: So, that's why they're called
10 the olive trees, the anointed ones. Okay. Now, it
11 says here: when they shall have finished their
12 testimony, and after this three-and-a-half year period
13 of time, the beasts -- this is out of the bottomless
14 pit which scripture says is carnal man that comes out
15 of a woman's womb without knowledge, right?

16 HENRY GARCIA: Um-hum.

17 DAVID KORESH: You know, shall make more
18 against them and shall overcome them and then kill
19 them. Okay. Now, what happens is, is that -- you see,
20 I'm supposed to teach this stuff so it don't happen.
21 Prophecies, prophecies are given so that they can be
22 avoided and instead a blessing can be given.

23 HENRY GARCIA: Uh-huh.

24 DAVID KORESH: You know? Now, it says here
25 -- remember the lamblike beast that speaks as a dragon?
Anyway, it says here -- okay: kill them and their dead

1 bodies shall lie in the great street of the city, which
2 spiritually is called Sodom and Egypt where our Lord
3 was crucified.

4 HENRY GARCIA: Um-hum.

5 DAVID KORESH: And there the people, and of
6 the kingdoms, the nations, and tongues, shall see their
7 dead bodies three days and a half and shall not suffer
8 their dead bodies to be put in graves. And it says
9 here: and they have the people that dwell upon the
10 earth shall rejoice over them and make merry and shall
11 send gifts one to another because these two prophets
12 tormented them until up on the earth.

13 HENRY GARCIA: Um-hum.

14 DAVID KORESH: And I beheld after three days
15 and a half that the spirit of life from God entered
16 into them and they stood upon their seat and this great
17 fear fell upon them which saw them. Okay. So, what
18 happens is -- and then the judge when this, when this
19 is, when this is fulfilled -- excuse me. I'm going to
20 need some -- okay. We see over here that -- verses 11,
21 the same hour there a great earthquake, which this is
22 the resurrection of the 200 million that the sixth seal
23 talks about. And it talks about the city falling, the
24 men -- I mean, people were slain and the, and the
25 remnant that are -- remain after God destroys the
wicked, they were involved in this. Because not

1 everybody's involved in it.

2 HENRY GARCIA: Um-hum.

3 DAVID KORESH: They give glory to the God of
4 heaven.

5 HENRY GARCIA: Um-hum.

6 DAVID KORESH: And it says here that the
7 seventh angel sounded with -- thus the mystery is
8 finished now. That there were great voices in heaven
9 saying the kingdoms of this world become the kingdoms
10 of our Lord and of his Christ, which is the fulfillment
11 of Psalms 2. You know, God told them to kiss the son
12 lest they be angry.

13 HENRY GARCIA: Um-hum.

14 DAVID KORESH: Right?

15 HENRY GARCIA: Um-hum.

16 DAVID KORESH: And to be wise judges. You
17 know, to be wise ye kings. And it says here, and he
18 shall reign forever and ever. And the four-and-twenty
19 elders which sit before God -- which they are the ones
20 judging you'all right now. You know, they're the -- I
21 mean, while you'all are, are, are ready to judge me,
22 and I don't mind that. I understand that's, that's
23 what has to be done.

24 HENRY GARCIA: Um-hum.

25 DAVID KORESH: You know. That right now -- I
know it sounds kind of funny, but I've got to speak the

1 truth. Right now -- where I was taken and, and brought
2 back from, you know, Christ, God -- I mean, the Father
3 of us all, the one that created us all, right?

4 HENRY GARCIA: Um-hum.

5 DAVID KORESH: He is on the throne and the
6 judiciary is actually discussing and, and, and actually
7 passing judgments on attitudes that are being developed
8 and characters that are being developed in regards to
9 the situation that's taking place right now.

10 HENRY GARCIA: Um-hum.

11 DAVID KORESH: That's why, that's why I'm,
12 I'm told to wait. Otherwise, I'd be out. You know. I
13 mean, I know it's complicated. Let me, let me finish
14 here. Maybe we can get a little more insight --

15 HENRY GARCIA: Say that --

16 DAVID KORESH: -- on it.

17 HENRY GARCIA: -- one more time.

18 DAVID KORESH: Huh?

19 HENRY GARCIA: Say that one more time.

20 DAVID KORESH: Okay. While -- see, see, I --
21 remember, I'm of, I'm of this world.

22 HENRY GARCIA: Um-hum.

23 DAVID KORESH: Okay. I've just, I've just
24 been taken to another world -- I mean, other worlds.
25 It sounds funny, but I'm saying that while, while we're
doing right now is taking place, everyone already knows

1 | that Christ was terribly misjudged 2,000 years ago.

2 | Right?

3 | HENRY GARCIA: Um-hum.

4 | DAVID KORESH: Okay. Now, we know that 2,000
5 | years ago who that Christ was. That was God, wasn't
6 | he?

7 | HENRY GARCIA: Um-hum.

8 | DAVID KORESH: I, I mean the original number
9 | one in the beginning. I don't mean son number one,
10 | number two, number three. I mean the first one. I
11 | mean God. And, and he was on the cross. And what was
12 | he doing up there? Man's judgment, right?

13 | HENRY GARCIA: Um-hum.

14 | DAVID KORESH: Now, whoa. That was bad. But
15 | he says, Father, forgive them, for they know not what
16 | they do. Right?

17 | HENRY GARCIA: Um-hum.

18 | DAVID KORESH: And he did everything he did
19 | as an example that it might be written. He said to the
20 | disciples on that day you will know that I'm in the
21 | Father and the Father's in me, I and my Father are one.
22 | Okay? But the one thief up there on the cross, he says
23 | to him, you know, Lord, I've never known what I've done
24 | all my life. I mean, I've always done so wrong. He
25 | says, if you have a kingdom that's based upon forgiving
people because they don't know what they're doing, can

1 | you remember me? I mean, I lived my whole life and ah,
2 | ah, ba, da (weeping/talking sounds). You know, I'm
3 | ready -- I deserve this punishment. I deserve to be
4 | crucified. You know. But aahh, I've never known what
5 | it was for in the first place. Can you forgive me?
6 | And so that's the whole key, you see. That's the
7 | position I'm taking, that even if I -- you know, if I
8 | -- you know, look, I'm in trouble. Let's just face the
9 | facts.

10 | HENRY GARCIA: Um-hum.

11 | DAVID KORESH: Nonetheless, I know the one
12 | I'm looking over to.

13 | HENRY GARCIA: Um-hum.

14 | DAVID KORESH: See, by, by people misjudging
15 | God, naturally they're going to misjudge me.

16 | HENRY GARCIA: Um-hum.

17 | DAVID KORESH: I mean, that's -- that goes
18 | for all of us.

19 | HENRY GARCIA: Sure.

20 | DAVID KORESH: You know. So, so, you know,
21 | we've got to put our grudges down and all that. We've
22 | got to say now, just look. I'm just going to keep
23 | looking to the one on the middle of the cross. And,
24 | so, you know, one thief, unlike the other one, was just
25 | like David. He -- you know, he was, he was saying I've
 | got to take this punishment. Now, I've done some evil.

1 I've hurt some people. I didn't mean to, but
2 nonetheless, you know, I've had some good at the
3 expense of others.

4 HENRY GARCIA: Um-hum.

5 DAVID KORESH: Okay. So, you know, Christ
6 turns to him. And then we're talking about Christ
7 being really God.

8 HENRY GARCIA: Um-hum.

9 DAVID KORESH: He says I've saved you today.
10 You know, this is the kind of heart that God accepts, a
11 poor and contrite heart, broken spirit. You shall be
12 with me in paradise.

13 HENRY GARCIA: Um-hum.

14 DAVID KORESH: Okay. So, now, as Christ sits
15 on the throne, which is the rock, God, all of a sudden
16 he gives this book to this lamb. Okay, now. Now, it
17 says here that in Chapter 11 we were learning,
18 something to do -- after Chapter 10. After Chapter 10
19 we know that a mighty angel comes down to earth, right?

20 HENRY GARCIA: Um-hum.

21 DAVID KORESH: And there's seven thunders
22 uttered, right?

23 HENRY GARCIA: Um-hum.

24 DAVID KORESH: And we know that there is
25 going to be a judgment to where only those who are in
the temple of God who come up hither and say, hey,

1 | what's going on up hither? -- will be numbered amongst
2 | the righteous.

3 | HENRY GARCIA: Um-hum.

4 | DAVID KORESH: And the rest of them who don't
5 | care about learning these seven seals, these seven
6 | thunders, will be on the outside, and they trample the
7 | truth or they trample God's judiciary kingdom under
8 | foot. Remember, this earth is a part of heaven too,
9 | you know.

10 | HENRY GARCIA: Um-hum.

11 | DAVID KORESH: All in heaven belongs to God
12 | and all the fullness thereof.

13 | HENRY GARCIA: Um-hum.

14 | DAVID KORESH: We're still on God's real
15 | estate here now.

16 | HENRY GARCIA: Um-hum.

17 | DAVID KORESH: So, what happens is is that in
18 | so doing, finally what happens is is that the ones who
19 | don't understand, scripture warns that those who are of
20 | the flesh, those who come out of the carnal womb, you
21 | know, without being born again by knowledge and truth,
22 | they come out and they'd kill these witnesses. Well,
23 | all they're killing is they're killing, they're killing
24 | -- for instance, Zechariah said he saw in vision a rock
25 | with seven eyes, didn't he?

 HENRY GARCIA: Um-hum.

1 DAVID KORESH: Zechariah said he saw a
2 candle, a lamp with seven, with seven lamps. And
3 there's two witnesses by two olive trees, right?

4 HENRY GARCIA: Um-hum.

5 DAVID KORESH: Moses and Elijah, the sons of
6 oil. Now, we know that Christ is delight of the world
7 according to the New Testament. That's already been
8 made plain for us. And we know in the mount of
9 transfiguration the kingdom of God deals with Christ
10 standing on the mount, Moses and Elijah standing by
11 him, and they all three are one.

12 HENRY GARCIA: Um-hum.

13 DAVID KORESH: They've got one work to do,
14 and that's to save souls with the word of God.

15 HENRY GARCIA: Um-hum.

16 DAVID KORESH: Okay. So, so, when it comes
17 down to this final revelation when, when, when God
18 sends his Son into the world to reveal the seven seals,
19 then all the sons of God are going to want to learn the
20 seven seals, aren't they?

21 HENRY GARCIA: Yes.

22 DAVID KORESH: Okay. So, the thing of it is
23 -- but man, whose carnal in-- remember, wisdom says she
24 hates pride and arrogance and carnality? She says now,
25 I've built my house, I've hewn my seven pillars? You
know, we know that wisdom built Christ. Let me

1 explain. And wisdom builds everybody. Now, here is,
2 here is the clincher to it. It says here: for the
3 kingdoms of this world becomes the kingdoms of our Lord
4 and of his Christ and he shall reign forever and ever.
5 And the four-and-twenty elders which sit before God on
6 their seats fell down upon their faces and worshipped
7 God, saying we give Thee thanks, oh, Lord, God
8 Almighty, which art and was and are to come, because
9 Thou has taken a great power in his reign -- which this
10 is where God has to intervene. For the nations were
11 angry -- which is like Psalms 2, the heathen raged --
12 and Thy wrath has come -- which the sixth seal went --
13 what's going to happen is is that the sum of the stars
14 are going to be dark and all the natural elements of
15 light and the heaven is going to depart and everyone in
16 this world is going to get to look up and see something
17 they never seen before, something I was already shown.
18 But, of course, what happens is is that I'm supposed to
19 show it through a book. And then what happens is
20 they're going to realize that, that -- see, all I've
21 ever wanted out of my life is peace. So, God uses the
22 weak and he uses the, the ones who try to seek peace,
23 the ones who do not want violence and all that, he, he,
24 he strengthens them like in Psalms 18 to overthrow the
25 proud and the arrogant. It's a sad thing. We don't
want it to happen, and that's what's a lot of things

1 | happening right now. And Thy wrath has come and the
2 | time of the dead that they should be judged, that Thou
3 | shouldest give reward to Thy servants, the prophets,
4 | and to Thy sayings, those that were sanctified by the
5 | prophets, knowing their truth, to them that fear Thy
6 | name, small and great, and shall destroy them which
7 | destroy the earth. God doesn't like the way our
8 | economic system is doing to our world today. And the
9 | temple of God -- now, watch this. This is, this is off
10 | of -- remember wisdom said those who find me find life?

11 | HENRY GARCIA: Um-hum.

12 | DAVID KORESH: Remember?

13 | HENRY GARCIA: Um-hum.

14 | DAVID KORESH: They shall obtain the favor of
15 | the Lord? Now, watch this. And the temple of God was
16 | opened in heaven. See, this is the -- this is, this is
17 | the, the thing that causes the sin against the Holy
18 | Ghost. Now, watch. Now, the temple of God was opened
19 | where? In heaven. And there was seen in this temple
20 | the ark of his testament -- which is what Moses made a
21 | model of, right?

22 | HENRY GARCIA: Um-hum.

23 | DAVID KORESH: And there were lightnings and
24 | voices and thunderings and an earthquake and great
25 | hell. Now, God's angry. And there appeared a great
wonder in heaven, a woman, clothed with the sun, the

1 moon under her feet and upon her head a crown of twelve
2 stars. Now, who is she? And she, being with child,
3 cried, travailing in birth and pain to be delivered.
4 Now, remember in Proverbs 8 and 9 she said that she was
5 going to build her a building, build her -- you know?
6 She's the mother of Christ, isn't she?

7 HENRY GARCIA: Um-hum.

8 DAVID KORESH: I mean, she's the mother of
9 you. She's the mother of me.

10 HENRY GARCIA: Um-hum.

11 DAVID KORESH: She's the mother -- like it
12 says right down here, it says here that this dragon
13 makes a war with her. He hates her. And it says right
14 down here in verses 17, it says: and the dragon was
15 wroth (sic) with the woman and went to make war with
16 the remnant of her seed -- which keep the commandments
17 of God and have the testimony of Jesus Christ -- which
18 is the seven seals. Awesome, huh?

19 HENRY GARCIA: Um-hum.

20 DAVID KORESH: Okay. So, so, the thing of it
21 is is that in Proverbs 8 and 9 she says, come drink of
22 my bread -- I mean, drink, drink of my wine and eat of
23 my bread. In the, in the New Testament, you know,
24 it's, it's, it's hard to look at mankind in any
25 different light than what we have been trained or
raised to look at mankind in. You know, it's -- but,

1 but if you're looking -- you, you look -- like, for
2 instance, when I looked out the window here the other
3 day and I saw those ATF agents laying down there and
4 blood dripping down, you know -- I mean, I had been
5 shot too, but yet I was still alive.

6 HENRY GARCIA: Um-hum.

7 DAVID KORESH: You know, and I was there when
8 the first burst came into the front door. And I'm
9 thinking like, you know, like we'll, we'll -- you know,
10 like I'm looking on the same -- you know, God, are you
11 going to, are you going to shelter me or, or what, what
12 am I supposed to do now, you know? Because we, we had
13 been -- I had been told about this long before. So,
14 I'm like there and I'm looking at -- I'm thinking, you
15 know, God, you know, what can we do? I mean, it's
16 like, you know, those are friends of mine. They could
17 have been just like with Robert. There's, there's,
18 there's just no mean in this kind of stuff, you know?

19 HENRY GARCIA: Really?

20 DAVID KORESH: I mean, I mean, they're,
21 they're laying there on, on the top of the roof, you
22 know, and, you know, I, I didn't even know, I didn't
23 even know till I came around back to the side window
24 over here that they -- that, that anyone had even been
25 shot. And it's like -- I'm like thinking to myself,
you know, this -- it's not necessary.

1 HENRY GARCIA: Really?

2 DAVID KORESH: You know, why? It's just like
3 here is somebody that was a baby just 20-something,
4 30-something years ago. A child --

5 HENRY GARCIA: Um-hum.

6 DAVID KORESH: -- that, that came into the
7 world, that, that was a baby that toddled, and now it's
8 over. You know?

9 HENRY GARCIA: Um-hum.

10 DAVID KORESH: And, and it's just like it's,
11 it's so, it's so contrary to -- you know, like, like I
12 myself have got a lot of babies. Now, I'm -- now,
13 look. I know it's, it's funny and it's, it's strange.
14 You know, I have a lot of wives.

15 HENRY GARCIA: Um-hum.

16 DAVID KORESH: And it's not according to your
17 law. I realize that. You know, I do realize that.

18 HENRY GARCIA: Um-hum.

19 DAVID KORESH: And people say that I'm a
20 brainwasher on that. That's not the truth now.

21 HENRY GARCIA: That what?

22 DAVID KORESH: They say I'm a brainwasher.

23 HENRY GARCIA: Uh-huh.

24 DAVID KORESH: That's, that's not the truth
25 now. I'm -- I can't brainwash you. I mean, let's,
let's face it. You're going to take what I say and

1 | you're going to judge it for yourself. But here's the
2 | thing. David of old was chosen of God. And David had
3 | a spirit that God -- you know, the heavens look down on
4 | us every day.

5 | HENRY GARCIA: Um-hum.

6 | DAVID KORESH: And Psalms says that God looks
7 | down from the heavens and beholds all the sons of men.
8 | He fashioned all their hearts alike and he considers
9 | all their doings.

10 | HENRY GARCIA: Um-hum.

11 | DAVID KORESH: Right?

12 | HENRY GARCIA: Um-hum.

13 | DAVID KORESH: So, God chose David. He
14 | didn't choose his seven other brothers, did he?

15 | HENRY GARCIA: No.

16 | DAVID KORESH: He chose David. He was the
17 | youngest one who was -- who liked to care for --

TAPE #48

3/4/93
10:05 P.M. - 10:50 P.M.

1 HENRY: Um-hum.

2 DAVID: How many wives did he have?

3 HENRY: About two.

4 DAVID: Too many -- 800, 800. Well, I never
5 have to worry about that.

6 (Laughter.)

7 DAVID: Because -- well, see, the -- here's
8 how this works now. There's a lot of churches, okay?

9 HENRY: Uh-huh.

10 DAVID: I mean, like I said, I, I -- I was
11 wanting to show Robert all this stuff. You know, I was
12 really hoping that me and Robert could get this worked
13 out because I really, you know -- what I do -- 'cause
14 when I sit down and give studies to people, I show them
15 out of the book and then I ask them. I go, well, well,
16 what do you think? Am I crazy or -- if they, if they
17 don't see a point, they'll go, well, I don't really
18 understand it right now and I'll, then I'll show them
19 from another angle.

20 Before they know it, they're learning the
21 whole Bible. And I'll ask them, see -- this is what
22 I've told my students -- look, I've had an experience
23 in my life to where my life means nothing in this
24 world. My life is only valued in regards to how much
25 it will increase your life in the knowledge of God. So
I'm going to always be in your hands, and any time any

1 and every one of you can do unto me or cause to happen
2 to me anything you desire, because you know I will
3 alway-- only show you a truth and my life is in your
4 hands. Okay?

5 So then I began to open up these seals. And
6 every time that I have -- a person sat down and
7 listened, you know, they, they've, they've always had
8 to say -- say, you know, David? It's right. One thing
9 about it is, it's different, it's strange, but it's
10 right.

11 HENRY: Um-hum.

12 DAVID: And others who, like, say well, you
13 know, they don't really listen, they, they get half of
14 what I say and they don't get the full picture and then
15 they start coming with all these ideals and crazy
16 things. Of course, from their point of view, you know,
17 I'm this -- I'm claiming that I'm Jesus, I'm claiming
18 I'm the only Son, I'm claiming -- I'm a child molester
19 and all that kind of stuff.

20 Now, it gets -- like for instance, last, last
21 year we -- they were said three times on the news we
22 were going to commit suicide. Did we?

23 HENRY: No.

24 DAVID: No.

25 HENRY: Now, where do these stories come from
that you're a child molester?

1 DAVID: Well, what happens is is that it goes
2 back to, to a young lady that was 12 years old,
3 Michelle.

4 HENRY: Um-hum.

5 DAVID: Okay? And what happened was is that
6 they say that when she was 12 years old that I was
7 having relationships with her and that's not true.

8 HENRY: Who's Michelle?

9 DAVID: Michelle is one, Michelle is one of
10 the Jones girls.

11 HENRY: Okay.

12 DAVID: Now, this was back -- this is what I
13 mean like she's like, what? Nineteen? How old is she
14 now? Nineteen? Anyway, she's like 19 or so, but you,
15 you'll get to meet her and everything. But, see, what
16 happens is is when certain individuals -- okay. For
17 instance --

18 HENRY: Well, who, who was it that was saying
19 that?

20 DAVID: Marc Breault.

21 HENRY: Who?

22 DAVID: Marc -- see, he was a student that I
23 had for the first four and a half years --

24 HENRY: Uh-huh.

25 DAVID: -- since 1986 when I first came back
from Israel with this message.

1 HENRY: Uh-huh.

2 DAVID: Now -- so what happens is this, in
3 the scriptures it talks about a king of the north. In
4 other words, the last political power that has
5 capitalistic power reaches over all nations. This
6 power is the one that's supposed to confront Messiah
7 because of a message. It says, and he shall have
8 intelligence with those that forsake the Holy Covenant.

9 Now, if we could find out what the Holy
10 Covenant is, which we know is the seven seals, then we
11 know that those who forsake it are those who have heard
12 a portion and have not wanted it and have said like,
13 like in Psalms 2, let us break his bands asunder, you
14 know. They don't want it.

15 HENRY: Um-hum.

16 DAVID: They don't want the truth. They
17 don't want to -- see, if they don't acknowledge that
18 I'm the Son of God by God's Word, then God will not
19 acknowledge them that they're His son. So that's the
20 beauty of this message. You know, after, after I teach
21 -- soon as people look at me like, you know, like wow.
22 It's like Psalms 4 says, stand in awe and sin not. God
23 will hear when I call unto Him.

24 But they're like, wow, yeah, like man you're
25 Christ. I go well, now, let me explain. There's
something more to it than this, you know. It, it

1 brings out an incredible value in us as a people.

2 HENRY: Um-hum.

3 DAVID: I mean, you know, we got to respect
4 -- we're all sons and daughters of God. I mean
5 literally, you know.

6 HENRY: Um-hum.

7 DAVID: Okay. So, so when I began to show
8 them how I got this, then it goes on to say, you know,
9 thus said the Lord to His anointed, ask Me concerning
10 My sons and the work of My hands. Command ye Me. I
11 have made man upon the earth and forged him from the
12 dust of the earth. I have given him My Spirit and I
13 will raise him up and direct all his ways.

14 See, God begins to explain things and, of
15 course, you know, my advantage is that I never was very
16 good in literature, reading or anything, but if -- once
17 I was shown all these things, and it's like wow. It's
18 like whew! You know, the Bible calls the quickening.
19 The quickening is a process of learning where knowledge
20 is implanted -- right into your spectrum of
21 comprehension.

22 HENRY: Um-hum.

23 DAVID: It's just like, Bing! You're
24 quickened! Like, I know it all. You know. It's kind
25 of like -- have you ever seen the movie, "Lawnmower
Man"?

1 HENRY: Um-hum.

2 DAVID: Okay. See, Satan is a counterfeiter.
3 Course Satan has all the money in the world. So see
4 ever since I started, right?

5 HENRY: Um-hum.

6 DAVID: With this communication between, you
7 know, Orion and, and myself.

8 HENRY: Um-hum.

9 DAVID: All of a sudden, everything that I
10 was experiencing -- Satan came out and inspired men in
11 this world to try to counteract and counterfeit it by
12 making movies and stuff. Like "Terminator-2" and all
13 that kind of stuff?

14 HENRY: Yeah.

15 DAVID: Where you've got these fighting
16 machines and stuff that just blow everything up and
17 destroy everything? Well, that's the same as what Joel
18 through the prophecies talk about with regards to
19 Messiah and all that. You know, the mind and the world
20 is getting so close to the fulfillment of all the
21 events that the ancients have been inspired to see. In
22 their day they couldn't explain it, because they
23 couldn't explain modern -- modernized, you know,
24 technology.

25 HENRY: Um-hum.

DAVID: They were still (indiscernible) of

1 the natural realms of social life. That's why God
2 caused Israel to have an economy which revolved around
3 agriculture, you know. The harvest, the feast days,
4 the planting, the sowing, the harvest.

5 HENRY: Um-hum.

6 DAVID: The offering of the first and second
7 fruits and then such and so forth.

8 HENRY: Um-hum.

9 DAVID: Okay? But in our day the, the time
10 when all the vision, the effect of our vision is at
11 hand, you know, we have to emphasize that well -- not,
12 like in Nahum where it says well, here's a prophecy
13 about Messiah and there are these mighty men and
14 they're in these torches that run like the lightnings
15 and like people up here, they're like looking out the
16 window going like -- they're going look how fast that
17 thing is. 'Cause these guys really cut out real fast.

18 I mean, it, it's kind of, it's kind of --
19 it's not funny, but it's really exciting for us in the
20 fact that, you know, here's like little kids still
21 remaining, a people like looking out here right in our
22 backyard, you know, and it's, it's such a terrible cost
23 too, to get to this point and yet here we see this
24 heavy piece of metal, you know, with men in it, a
25 chariot right?

HENRY: Um-hum.

1 DAVID: And you think, man, these things
2 move. And this thing like it can, it can like peel out
3 and shoot across this back field like you wouldn't
4 believe.

5 HENRY: Um-hum.

6 DAVID: You know, and it said they run like
7 lightnings, right?

8 HENRY: Um-hum.

9 DAVID: And have these flaming torches.

10 HENRY: Um-hum.

11 DAVID: You know, the next thing, you know,
12 we're, we're hoping not to see, 'cause we already
13 believe God anyway. Okay, God, we believe you. You
14 don't need to do it. You know?

15 HENRY: Yeah.

16 DAVID: They don't need to flame for us.
17 Because they'll probably flame in our direction, you
18 know.

19 HENRY: Um-hum.

20 DAVID: Like, Steve went up the other day and
21 looked out the window and he looked out and this tank
22 just -- it, it caught him. It was kind of like this
23 (indiscernible) Computer System that grades the
24 imagery, you know, to where it can catch a whole, whole
25 view and you can, like, zero in on the dots and it kind
of comes to the one point like, say, eighth of an inch

1 or sixteenth of an inch circle.

2 HENRY: Um-hum.

3 DAVID: And that gun barrel will go right to
4 where the guy's looking, you know, on the, on the
5 screen. And I'm pretty sure they have these things in
6 there also. They have them in Israel, I know that.
7 But, you know, that barrel went straight toward Steve,
8 you know, that 25 mm. He goes like, whoa, and he was
9 telling me like, man, this is so awesome.

10 HENRY: Um-hum.

11 DAVID: I says yeah, you know, but still.
12 Okay. So, like, Joel, it's, it's you're like trying to
13 study without the vision, you're kind of like going,
14 what's these chariots and torches? What, they got like
15 torches that, you know, like they're trying to get
16 light from it? No. 'Cause these torches cause the
17 trees to shake terribly.

18 HENRY: Um-hum.

19 DAVID: You see? It causes the ground to
20 thunder, just like Nahum in the prophecies say.

21 HENRY: Um-hum.

22 DAVID: But sad to say is that Nahum says
23 that when they confront those who, you know, fortified
24 their power mightily, which you know is us. I'm happy
25 to say in the light of God, I'm sad to say in the light
that, you know, there's no, I mean, you know, I like

1 you and Jim. I mean, I like all you guys.

2 HENRY: Well, thank you.

3 DAVID: There's a -- there, you know, there's
4 a sadness. It's kind of like in Noah's day, you know.
5 When Noah got into the Ark he was just doing the best
6 he -- okay. It's -- but it's like Cain and Abel.
7 We're brothers and all I'm trying to say is that -- I'm
8 trying to say, look, brother. You know, really
9 brothers. We're really family, right?

10 HENRY: Um-hum.

11 DAVID: I mean, if, if, like me and you had
12 not met like this way --

13 HENRY: Um-hum.

14 DAVID: -- you know, we could have been out
15 fishing or something. And I could have been there and
16 I could have been sitting there fishing and you could
17 have said, you know, how you doing? I go, how you
18 doing? You know, what do you do? Well, I'm a
19 musician. And, you know, what do you do? Well, I'm,
20 I'm a FBI agent. Oh, really, you know. Glad to meet
21 you. Boy, I bet you got a real hard job, you know.
22 And then you'd end up being surprised to find out I'm
23 involved in something like this later on, you know.

24 HENRY: Um-hum.

25 DAVID: -- had a better foundation
established.

1 HENRY: Yes.

2 DAVID: But I got more people that love me
3 than hate me.

4 HENRY: Well, you know --

5 DAVID: But --

6 HENRY: I'm sure of that and I'm sure that
7 you're going to be in a position where you're going to
8 have the opportunity to have a lot more people love you
9 in the future. One of the things that I think that is
10 going to happen to you because of this facility that
11 you have to teach and because you feel so enthusiastic
12 about sharing this gift that you have and this
13 knowledge that you possess, that you, you know, as you
14 said before, you realize that, that some punishment is,
15 is coming your way.

16 DAVID: Oh, yeah. I'm ready to take it.

17 HENRY: And, and because of the fact that in
18 punishment we learn, just like you did when you
19 received the punishment you received with respect to
20 that situation that you became involved with when you
21 had that experience with Linda, you grew.

22 DAVID: Well, that, that, that's true.

23 HENRY: You grew and because of this, because
24 of all that has happened and because you're going to
25 have the position that you're going to be in a place
where people are forgotten and here you are in a

1 position to make a real difference to people that are
2 forgotten. You will have -- and lots of times it's
3 difficult for us to see because we, we become
4 comfortable, all of us --

5 DAVID: Exactly.

6 HENRY: -- wherever we're at. Whether we're
7 in Dallas, Texas, whether we're in New York, whether
8 we're in Waco. Wherever we're at, and we're many times
9 not expecting to be thrust into another --

10 DAVID: Dimension.

11 HENRY: Exactly. And here it is for you and
12 because what you -- your message takes time. It takes
13 time and what is it that these people are going to have
14 more than anything else? They're going to have time.
15 Time to listen. Time to make a difference.

16 DAVID: Well, we --

17 HENRY: I really believe that.

18 DAVID: I'm definitely aware of all of this.

19 HENRY: I really believe that.

20 DAVID: I explained to people like, like,
21 like, you know, our Father, Christ, said 2,000 years
22 ago. He says, you know, if any man wants to follow me,
23 he has to take up his cross.

24 HENRY: That's right.

25 DAVID: In other words, you know, you might
get electrocuted.

1 HENRY: That's right.

2 DAVID: You might go to the, you might go to
3 the, you know -- someday I said we should, we should
4 wear around our neck a necklace of electric chairs or,
5 or lethal injection because that might be
6 misinterpreted as drug addicts or something, you know.

7 HENRY: Um-hum.

8 DAVID: Because sometimes, you know -- you
9 know, sometimes it's like if, if you love somebody, you
10 know, you would just -- you say to yourself I would
11 just die if they could understand how much I love them.

12 HENRY: See, and the thing is I don't think
13 that, that it, you know, when you say if you love
14 somebody -- it's too, it's too almost like too
15 isolationist to say if you love somebody, because I
16 think in your case you don't have to -- you don't need
17 to have -- you don't need to love a person. All you --
18 you do love people, you know, you love people per se.
19 You want to teach them. And I think you're going to be
20 thrust into a situation where you're not going to have,
21 you know, 10 people, 20 people -- you're going to have
22 thousands of people that you can minister to. I really
23 believe that.

24 DAVID: Well, you know, like that, that,
25 that's okay, like I said if you're just behind bars,
but you know --

1 HENRY: Well --

2 DAVID: -- like, for instance --

3 HENRY: But, but those people need it. You

4 know, I mean, who doesn't need it?

5 DAVID: Oh, for sure.

6 HENRY: You know, and, and, and who needs it

7 more?

8 DAVID: But you know --

9 HENRY: And lots of these people,

10 unfortunately, you know, they're in there, they come

11 out, and they're in a worse situation than when they

12 came -- than when they went in. You know --

13 DAVID: Well, I'm getting the people ready

14 for that.

15 HENRY: Well, good --

16 DAVID: You know, some people -- like, like

17 I'm telling these guys, you know, they're, they're

18 saying -- some of the guys, here, you know, like they

19 believe the message too, but remember they weren't

20 shown like I was shown. I'm the least one here, I

21 mean, I, I got shown something.

22 HENRY: Um-hum.

23 DAVID: And all they've done is believe the

24 Word of God.

25 HENRY: Right.

 DAVID: I mean, I've connected all the loose

1 ends and developed the picture to show them from all
2 the prophecies and sometimes I like to say, well, now,
3 look. Let's just get a concordance over here and let's
4 understand this and they've gone like, oh yeah, okay,
5 we see, we see, we see. So they're going by greater
6 faith than I am.

7 HENRY: Um-hum.

8 DAVID: You know, me, I, I'm going by sight.

9 HENRY: Well, you --

10 DAVID: You know --

11 HENRY: But you've been able to open the door
12 for them.

13 DAVID: Well, God, God -- like I said, He
14 gave me work to do. Now, my frustration has been that,
15 you know, I end up back in this realm after going to a
16 different realm, and I'm like pinching myself, saying
17 to myself, you know, you know, what -- you know, where
18 -- what --

19 HENRY: Well --

20 DAVID: What is this, you know. I'm telling
21 myself --

22 HENRY: Really --

23 DAVID: -- now, I, I just gotta, you know,
24 present what I been shown --

25 HENRY: Exactly.

DAVID: -- and go back to these books, the

1 scrolls, you know, the prophecies, and, and present
2 them in the true and proper light that I was shown,
3 where I was shown them at.

4 HENRY: That's right.

5 DAVID: And so I come in and I confront
6 people and the first, first one or two years that I
7 started this, you know, that this was given to me to do
8 or to finish, this work -- from 1985 --

9 HENRY: Um-hum.

10 DAVID: Every time I confronted a person that
11 already thought they knew the Bible, they would be
12 like, well, yeah, brother. Well, what have you got,
13 you know. I'm like well, I want to show you this too.
14 Oh, well, then they'd already start telling me about
15 about them. So I'd have to sit there and listen to
16 them, realizing that everything they were -- that was
17 coming out of their mouth was totally opposite what was
18 shown to me, you know, far away from here.

19 HENRY: But, see, that's because you've,
20 you've seen and, and seers become leaders, okay? And
21 understanders become followers. You see and,
22 therefore, you must lead. And the followers will
23 follow you to safety.

24 DAVID: Well, so, what happened is scripture
25 talks about my position, it calls me a servant of
rulers. Which makes proper sense 'cause, you know, it

1 takes a little time to deal with the natural-born
2 tendencies to be arrogant in one's own thought.

3 HENRY: Um-hum.

4 DAVID: So, you know, so like I've had to sit
5 a lot of times and let people tell me and then I'll
6 have to sit there and go, well, that sounds good, but
7 have you ever thought about -- and then I start showing
8 them out of the Bible. Like, for instance, the -- one
9 of the easiest ones is the sixth seal, which -- here in
10 Joel tells about the sun, moon and stars being
11 darkened. Here in Zephaniah, sun, moon and stars being
12 darkened. Here in Amos they kind of go like, oh, yeah
13 -- oh, yeah.

14 And all of a sudden they get excited because
15 like yeah, that's what that is. And they begin to see
16 that from the written word, their own Bible, the
17 picture becomes plainer than what -- and then more
18 enlightening than what they're own opinion of it was.

19 HENRY: Um-hum.

20 DAVID: So they -- in their own mind, they're
21 satisfied to divorce their own opinion and to readily
22 accept the wisdom that's been given by the Book.

23 HENRY: Um-hum.

24 DAVID: So then they don't, they -- they look
25 at me and they go like, you know, yeah, you know, yeah,
that's good. I like that, you know.

1 HENRY: Um-hum.

2 DAVID: How did you learn this, they say?
3 Then I go, uh-oh, you know, well, let me, let me show
4 you something over here. Come up hither, you know.

5 HENRY: That's right.

6 DAVID: Because the Lamb wasn't there.
7 Remember when the question was asked, who's worthy?
8 The Lamb wasn't there yet.

9 HENRY: Um-hum.

10 DAVID: Said no man.

11 HENRY: Um-hum.

12 DAVID: Then all of a sudden, all of a sudden
13 the Lamb appeared. And the reason why it's as, it's as
14 -- been slain is because God knows that already His
15 truth is not going to be accepted by the majority.

16 HENRY: Um-hum.

17 DAVID: You know. But yet the seven horns
18 mean the situation is completely under control,
19 completed power, and the seven eyes is complete vision
20 and every avenue opened, you know, and besides, God
21 says, when He refers to, to, to His Anointed One, you
22 know, which is the first-born of this generation, or
23 the first man that God will redeem, you know, He says
24 over here, and this is for the, this is for the
25 Gentiles. It's from chapter 60 all the way to 64 of
Isaiah is the message that's to be given to the

1 Gentiles while they're still under the dominion of
2 Babylon. So it says -- actually, I'm sorry. It's from
3 40 to 66, instead of quoting it, I'll just read it
4 here. Here we go. Okay. Okay. So, in chapters, in
5 chapters 40 it tells you, it says, Behold, the Lord God
6 shall come with a strong hand -- of course that's the
7 Book.

8 HENRY: Um-hum.

9 DAVID: His arm shall rule for Him, which
10 (indiscernible) know as the Messiah. Behold His reward
11 is with Him, which is the Book, His work before him.
12 And His work is, He shall gather His flock like a
13 shepherd.

14 HENRY: Um-hum.

15 DAVID: He shall gather the lambs with his
16 arm and carry them in His bosom, and shall gently lead
17 those who are with youngs, which are the babies.

18 HENRY: Um-hum.

19 DAVID: Okay? So, then, all of a sudden, you
20 know, it's like, well, what is this reward? And, you
21 know, what is -- why has it got to be done this way
22 for? So the prophet goes to tell you something about
23 how deep this -- He goes, who would measure the waters
24 in the hollow of His hand. In other words, how deep is
25 this truth? In Heaven, you know, it's a sea of glass,
right?

1 HENRY: Um-hum.

2 DAVID: The Word of God is deep.

3 HENRY: Um-hum.

4 DAVID: And who has meted out Heaven with a
5 span and comprehend the dust of the earth.

6 HENRY: Um-hum.

7 DAVID: It says, who would -- who has
8 directed the Spirit of the Lord, being his counselor
9 had taught him. It says, behold the nations are a drop
10 of a bucket. That's why when the, when the, when the
11 son of man comes with this Book --

12 HENRY: Um-hum.

13 DAVID: That's why God's laughing at all of
14 these, these guys maneuvers out here with all these
15 little tin can tanks and all these heavy artilleries
16 and stuff.

17 HENRY: Um-hum.

18 DAVID: Of course, you know, to us, being of
19 the flesh to the rest of the people who are there,
20 they're kind of like, ehh, you know.

21 HENRY: Um-hum.

22 DAVID: They're kind of scared. It is, it is
23 very scary, you know, in the flesh.

24 HENRY: Sure.

25 DAVID: But the faith reaches up higher and
God already told us about it ahead of time anyway and

1 God's telling us that, you know, not to worry about it.
2 That they're the ones that need to worry.

3 HENRY: Um-hum.

4 DAVID: Because they don't know what they're
5 doing.

6 HENRY: Right.

7 DAVID: It says here, and are counted as the
8 small dust of the balance.

9 HENRY: Um-hum.

10 DAVID: So it says here that -- it says, have
11 you not known? Have you not heard? Has it not been
12 told you from the beginning? Have you not understood
13 from the foundations of the world? It is God that
14 sitteth upon the circle of the earth, and the
15 inhabitants thereof shall be as grasshoppers, and He
16 stretches forth a curtains of the heavens and spreadeth
17 them abroad, as a tent to dwell in. For He will bring
18 the princes to nothing and He will make the judges of
19 the earth as vanity, which is the same as Psalms 2.

20 HENRY: Right.

21 DAVID: The kings of the earth, the rulers,
22 you know, they -- God laughs at them.

23 HENRY: Um-hum.

24 DAVID: Yea, they shall not be planted, which
25 means -- see, they're going to be destroyed because of
their attitude towards, you know, the, the Book.

1 That's what, that's what tears me up. It says here,
2 yea, they shall not be sown, yea, their stock shall
3 take root in the earth, for God shall blow upon them --
4 remember there's fire?

5 HENRY: Um-hum.

6 DAVID: And they shall wither and the
7 whirlwind, which is Jeremiah 30, the whirlwind of the
8 Lord, His fury, shall take them away as stubble.

9 HENRY: Um-hum.

10 DAVID: That's why Daniel says that the, the
11 rock hit the image in the feet. It all blew away.

12 HENRY: Um-hum.

13 DAVID: To whom then will you liken God, or
14 why, or why -- or shall I be equal saith the Holy One.
15 Lift up your eyes on high and behold who had created
16 these things from in the heavens? That bringeth out
17 their host by number, and see how the universe is up
18 there?

19 HENRY: Um-hum.

20 DAVID: For God calls them all by names by
21 the greatness of his might, for that he is strong in
22 power, not one faileth. Be awesome for one of those
23 stars to fall down and hit ours, wouldn't it?

24 HENRY: Um-hum.

25 DAVID: So why sayest thou, O Jacob, and
speakest, O Israel, that our way is hid from the Lord,

1 | that our judgment is passed over from our God?

2 | HENRY: Um-hum.

3 | DAVID: See, 'cause in this, in this
4 | situation, the prophecy, we get into a real scary
5 | situation like, well, you know, well, are you going to
6 | help us, God, or not? And God says, have you not
7 | known? Have you not heard that the everlasting God,
8 | the Lord, the Creator of the all the ends of the earth,
9 | fainteth not, neither is weary? There is no searching
10 | (indiscernible) His understanding.

11 | For He will give power to the faint and to
12 | them that have no might He will increase strength. For
13 | in this, the youths will be faint, which we are, and
14 | weary. The young men shall utterly fall, which we
15 | have, but they that wait upon the Lord shall renew
16 | their strength. For they shall mount up with wings of
17 | eagles, they shall run and not be weary, they shall
18 | walk and not faint.

19 | Now, the reason being is in Matthew 24, this
20 | is the fulfillment. These are the eagles that gather
21 | with the carcass, and the carcass is the Lord who comes
22 | with a strong hand, the Lord's body. Okay?

23 | HENRY: Um-hum.

24 | DAVID: So what God admonishes in His record
25 | in 42 is He states, this is His announcement to the
world, He says, Behold My servant, whom I uphold. Now,

1 we know that the Father gives the Book to the Lamb,
2 right.

3 HENRY: Um-hum.

4 DAVID: Mine elect, I mean you know, the
5 Father elected him, right?

6 HENRY: Um-hum.

7 DAVID: In who My soul delighteth.

8 HENRY: Um-hum.

9 DAVID: Now, what makes him different than
10 anybody else? It says, I have put My Spirit upon him.
11 He shall bring forth judgment to the Gentiles. Now,
12 what he, what he, what he does is he brings God's
13 judgment to the Gentiles.

14 HENRY: Um-hum.

15 DAVID: In other words, the Gentiles will be
16 judged by him.

17 HENRY: Um-hum.

18 DAVID: But by the truth he's trying to teach
19 them.

20 HENRY: Um-hum.

21 DAVID: He shall not cry, nor lift up, nor
22 cause His voice to be heard in the street. That's why
23 you never heard me out, you know, on -- in, in -- I'm
24 not an evangelist. I don't go around all over the
25 world going, you know, and the Lord said, you know.
You know how those guys do.

1 HENRY: Um-hum.

2 DAVID: Now, a bruised reed shall He not
3 break, and the smoking flax shall He not quench, which
4 is true. I've never hurt anybody. He shall bring
5 forth judgment unto truth. In other words, what's the
6 truth? Seven seals.

7 HENRY: Um-hum.

8 DAVID: He shall not fail nor be cut off
9 until He has set judgment in the earth and the isles
10 shall wait upon His law, which His law is prophecy.

11 HENRY: Um-hum.

12 DAVID: They've got to, they've got to
13 believe that God's going to do what He says.

14 HENRY: Um-hum.

15 DAVID: Thus said the Lord God, He that
16 created the heavens, and stretched them out. He that
17 spread forth the earth, and that which comes out of it.
18 He that giveth breath unto the people that
19 (indiscernible) upon it, and spirit to them that walk
20 therein. I, the Lord, have called thee in
21 righteousness and I will hold thy hand and I will keep
22 thee and give thee for a covenant of the people, for a
23 light to the Gentiles.

24 Okay? So that's, that's why, you know, that
25 -- well, that's, that's why the seven seals are very
important.

1 HENRY: Right.

2 DAVID: Now, these seals is to open the blind
3 eyes, to bring out them that are sit in darkness, and
4 out of the prison, and out of the prison houses.

5 HENRY: Um-hum.

6 DAVID: I am the Lord, that is my name, and
7 my glory will I not give to another, neither my praise
8 to graven images. We know no idolatries, right? It
9 says here, for the former things have come to pass and
10 I, I declare -- and new things do I declare, which are
11 the seven seals.

12 HENRY: Um-hum.

13 DAVID: Before they spring forth shall I not
14 tell thee of them? Which is, you know, the whole
15 process of what we're dealing with here. But, you
16 know, like they were making fun on the, on the TV the
17 other day. They were saying, you know, they were
18 saying, well, I, I thought that Jesus was perfect and
19 we know this man's not and besides, this guy says, you
20 know, my little daughter made a good statement the
21 other day. She says -- that I didn't think about, but
22 just kind of goes to show you how smart kids are and
23 the news guy says, well, what was it? She said -- he
24 goes, she says, Daddy, this man can't be Jesus, because
25 Jesus don't wear glasses. Right?

(Laughter.)

1 HENRY: Listen, I just had a thought and I
2 don't know if, if we've talked about this or haven't
3 talked about this, but you know, whenever you, you
4 decide that you're coming out --

5 DAVID: Well, I've already decided to do
6 that.

7 HENRY: Oh, no, no.

8 DAVID: I'm just waiting for --

9 HENRY: Look, I mean, at the moment that, you
10 know, I don't know if we've talked about this and I
11 just want to make sure. You know, I want you and I
12 want everybody that's in there, and I want you to tell
13 everybody that's in there, that their safety is
14 guaranteed.

15 DAVID: Oh, they know that.

16 HENRY: Okay. Well, I, you know, I -- but we
17 haven't talked about it so I just want to make sure
18 that, that everybody realizes that, you know, just
19 doesn't -- isn't taking that like, you know, just
20 anticipating that that's going to happen without
21 somebody here having said that. Okay?

22 DAVID: All right.

23 HENRY: And whatever punishment is going to,
24 not be addressed, whatever -- it's not the FBI or, or
25 the ATF that's dishing out that punishment. I mean,
everybody's going to go and stand trial. You know how

1 that judicial system is.

2 DAVID: Oh, yeah, I do.

3 HENRY: Okay. So, you know, I mean,
4 everybody's going to go -- who, whoever is, is charged
5 is going to be, you know, go through the judicial
6 system. It doesn't mean that, that, that your safety,
7 or anybody's safety is not guaranteed. Everybody's
8 safety is guaranteed.

9 DAVID: Well, that's why it says here, it
10 says to open the blind eyes, to bring out the prisoners
11 from the prison, and them that sit in darkness out of
12 the prison house.

13 HENRY: Um-hum. Okay. Well, you know, I'm
14 sure that, that because you speak the truth, you know,
15 and the people that, as with the children who've you've
16 sent out, you know, everybody needs to understand that,
17 that everybody is going to come out, and I'm sure that
18 they do, but I want everybody to understand that, you
19 know, we're not just laying in the weeds here waiting
20 for somebody to show up and then --

21 DAVID: I know. It's -- like, like the other
22 night. I kept telling guys if they was wanting to
23 shoot some of your guys out here in the front, and I
24 told them, I said, look. I said, blood is already
25 shed.

HENRY: That's right.

1 DAVID: I said, look, so these guys are out
2 here lying to you. They've lied to me so far and y'all
3 guys know it. Now here's the deal. I have not lied to
4 them. They tell me that they have bosses over them and
5 I've told them that I have bosses over me.

6 HENRY: Um-hum.

7 DAVID: They told me what they were going to
8 do, but I realized their bosses are over them. So you
9 might tell me a lot of things and when I get out of
10 here, boy! I may, I may have a real hell, you know.

11 HENRY: Yeah, I know.

12 DAVID: But the thing of it is this.

13 HENRY: No.

14 DAVID: But -- well, let me explain. Let me
15 just make, make, make it clear.

16 HENRY: Okay.

17 DAVID: But -- 'cause this is what I have to
18 remind the people that have believed God through what I
19 have shown them.

20 HENRY: Um-hum.

21 DAVID: Okay? But still nonetheless, we have
22 to keep our eyes single to the glory of God, because,
23 you know, y'all more or less have a harder time to
24 realize that I am taking orders, you see, and that, and
25 that my boss is making decisions on whether not to
pounce you or not. You know, I mean, you know, and I

1 don't want my boss to pounce you because you don't
2 understand me and I don't think -- and this is honestly
3 between myself and God.

4 I don't think that by myself being human I
5 don't think that I have done a good enough job or that
6 I have done everything that I can possibly do at the
7 present to try to, to, to inform you clearly what the
8 issues are from our side.

9 HENRY: Okay. And I --

10 DAVID: You see, and so --

11 HENRY: And I think, and I think that, that
12 that opportunity will be afforded to you not just, you
13 know, when you come out, but throughout the whole
14 process now --

15 DAVID: Well, we're doing that now. I mean
16 this, this is where I've -- this is where I've always
17 told the guys, you know, now Jim and them are -- have
18 pressure from on high -- I mean, you know, from their
19 hierarchy and I'm having pressure from my hierarchy,
20 but whereas you know man has given you and Jim, you
21 know, a certain leeway --

22 HENRY: Um-hum.

23 DAVID: -- a certain, you know, a bit, a bit
24 of liberty to, you know, call shots and all that? So,
25 for some reason because of my experience being in this
stupid flesh in the first place for so many years and

1 making so many mistakes, God has given me also a heart,
2 or a liberty, to be able to, to, you know, ask for
3 additional or extra, you know, time in regards for
4 y'all.

5 HENRY: Well, let me ask you this.

6 DAVID: That sounds funny. I know, it's --

7 HENRY: Let me ask you this. You know, one
8 of the concerns that I have now is remember when you
9 told me, you know, last night and early this morning
10 about the, the experience that you had with the
11 sheriff's office?

12 DAVID: Right.

13 HENRY: Okay. You --

14 DAVID: I forgive those guys. That was, that
15 was --

16 HENRY: Yeah. But you're not thinking that
17 that's going to happen again, do you?

18 DAVID: Well, no, not really, but it
19 doesn't --

20 HENRY: Tell me the truth.

21 DAVID: No, honestly, because see, I, I know
22 that the Federal Government -- I know, I know -- the
23 FBI's involved now.

24 HENRY: Um-hum.

25 DAVID: Now, if I had come out the first day
and the ATF guys -- you can't blame those football

1 | players, you know. They lost good friends, you know.
2 | That night they were out and a few of them having a few
3 | beers, you know, and somebody said that, that they
4 | called up on the talk show and they said they were out
5 | here at one of the local clubs and three of those guys
6 | were in the bar there and they were drinking, you know,
7 | Saturday night?

8 | And that they were in there talking about
9 | coming out here to Mount Carmel and, and busting us up
10 | real good in the morning and it was going to be, you
11 | know, they were talking to each other about it and they
12 | were laughing about it and, you know, and then this guy
13 | said he heard about it and then when it happened it
14 | really made him mad because, I mean, they were really
15 | sounding -- well, they were just being human, you know
16 | what I mean?

17 | HENRY: Um-hum.

18 | DAVID: You know, get those bad guys, so to
19 | speak.

20 | HENRY: Well, you know, I don't know anything
21 | about that, but I can tell you this, you know. The
22 | bosses have gone, you know, on TV, on the press
23 | conference and said that everybody's safety is
24 | paramount. Now, that means that if you tell me right
25 | now I'm -- we're ready to come out right now --

 DAVID: Uh-huh.

1 HENRY: -- everybody, you know, all the big
2 bosses are -- that's the first thing that they're going
3 to say. We want everybody to be safe. Okay?

4 DAVID: And not stick us into jail with any
5 big guys.

6 HENRY: What?

7 DAVID: (Laughter.)

8 HENRY: What?

9 DAVID: And not put us into prison with any
10 big guys.

11 HENRY: (Laughter.)

12 DAVID: That'll poke us in the rear.

13 HENRY: Well, see, see --

14 DAVID: It's against our religion.

15 HENRY: One of the things that's going to
16 happen is, the people that are hurt, like yourself, are
17 going to be taken care of, you know, medically first.
18 I mean, you're not going to be put in jail first.
19 You're going to be put in a situation where you are
20 taken care of medically first. Okay?

21 DAVID: Right.

22 HENRY: Now, in terms of being put in a
23 situation where you're with some big guy, you know, one
24 of the things that, that you need to understand is,
25 your reputation precedes you. You are, you are a man
of the cloth and as such people are going to perceive

1 | you in that fashion --

2 | DAVID: Oh, they're going to --

3 | HENRY: -- and they're going to want to hear
4 | your message.

5 | DAVID: They're going to first -- they're
6 | going to want to bend me over to show me that I'm
7 | nothing.

8 | HENRY: Well, you know, I -- you, you
9 | can't --

10 | DAVID: Look, God knows -- I understand what
11 | you're saying.

12 | HENRY: -- you can't assume that and you --
13 | see, that's right. God is going to take care of you
14 | because you have a mission. Now, most of us don't
15 | understand completely what our mission in life is and I
16 | know that you know to a certain extent. But there may
17 | be some things here and there -- a very strong, sincere
18 | reason for you having to go, you know, at least for a
19 | period of time, to make an impression there and to
20 | cause there to be a change among those people who are
21 | forgotten. That nobody really tends to.

22 | DAVID: Yeah. I feel sorry for them.

23 | HENRY: Really.

24 | DAVID: Some belong there and some don't.

25 | HENRY: Really.

 DAVID: My brother was always the one -- I

1 have a stepbrother.

2 HENRY: Do you have any brothers and sisters?

3 DAVID: Well, I have -- like I say, my
4 original father was not -- he was -- I was a mistake
5 child, right?

6 HENRY: Um-hum.

7 DAVID: Supposedly?

8 HENRY: Um-hum.

9 DAVID: And I got brothers and sisters in
10 Houston that I've never really met but one sister.

11 HENRY: Uh-huh.

12 DAVID: And I have the one brother that I was
13 raised with and he, he's a, he's, he's Roger Haldeman.
14 He's always been in and out of trouble. I've always
15 tried to help him. You know, and, you know, he's just
16 -- he, you know, he has problems, you know. He, he,
17 he's gotten to the drug scene and all that.

18 HENRY: Is he in Dallas?

19 DAVID: No, he's in, he lives in Tyler. He
20 was living in Waco for a while, but --

21 HENRY: Uh-huh.

22 DAVID: You know, he has -- everywhere he
23 goes he, he finds these people and he's weak in that
24 area.

25 HENRY: Um-hum.

DAVID: I mean, I've always told him I says,

1 well, Roger, you now, you, you've got to realize that
2 God understands these weaknesses and you have to, you
3 know, you have to fight against them to make them
4 stronger. Anything you exercise in your will is going
5 to be made stronger.

6 HENRY: Um-hum.

7 DAVID: But, you know, it's just -- I tell
8 you, there's powerful drugs today. Once you do it
9 once --

10 HENRY: Yeah.

11 DAVID: -- you're, you're hooked.

12 HENRY: Um-hum. Now, I -- if you have any
13 questions about, you know, what will happen, you need
14 to ask me and if I don't know the answer, I will find
15 answers for you. I want you to realize that, you know,
16 I believe that God has been protecting you and
17 protecting the people within the compound and he will
18 continue to protect those that are taken into custody.
19 I really believe that and I also believe, you know,
20 that in the federal system -- that the federal system
21 is very different from the state system.

22 DAVID: Yeah, it's meaner.

23 HENRY: Okay. No!

24 DAVID: Oh, yeah.

25 HENRY: Oh no, no, no, no.

DAVID: Yeah. (Laughter.)

1 HENRY: Really --

2 DAVID: The federal prisons are, are meaner.

3 HENRY: No, no, no. I think it's just the
4 other way around. I, you know, and there are, you
5 know, there are federal penitentiaries that are --
6 everybody calls them country clubs because they're real
7 easy.

8 DAVID: I'm not an income tax evader. I'm,
9 I'm --

10 HENRY: (Laughter.)

11 DAVID: -- considered a -- I don't know.
12 What do they consider me?

13 HENRY: I don't know.

14 DAVID: A terrorist?

15 HENRY: Nah -- see, I don't think so. I
16 don't think so. See, I don't know what they're going
17 to charge you with. I, you know, you know -- do, do
18 you have any questions that we need to resolve --

19 DAVID: No. I mean, like I say --

20 HENRY: I mean I know you're planning to come
21 out so --

22 DAVID: When, when, when, when, when, when my
23 god tells me to go, then I already know what y'all are
24 going to do. Okay? And what happens is, if, if it's
25 done otherwise, according to the other opposition -- if
what I've, what I've already said creates the other

1 | opposition, I already know what happens then too.

2 | HENRY: Okay.

3 | DAVID: So, you know, it's just like -- the,
4 | the more, the more you learn -- you know, the more you
5 | -- and then I, I know that Mike too, you know, he's,
6 | he's got a Catholic background too, you know.

7 | HENRY: Um-hum.

8 | DAVID: And don't get me wrong, I mean, you
9 | know --

10 | HENRY: Thanks a lot.

11 | DAVID: The --

12 | HENRY: You don't like Catholics, do you?

13 | DAVID: No, no, no, no, no.

14 | HENRY: Thanks a lot.

15 | DAVID: No, no, no, no. What I'm saying is,
16 | like I said -- Antonio Munoz --

17 | HENRY: Um-hum.

18 | DAVID: The best people that I've ever known
19 | have been Catholics that have treated me good. Antonio
20 | Munoz is a devout Catholic. He had a shrine, you know,
21 | the Mother Mary in his house and everything. He, he
22 | owned a tile company; he did tile work. And like I
23 | said, that, that kind of business during the '70s and
24 | '80s was very, very prominent.

25 | He made lots of money and he has a brand new
-- well, he has several homes in Dallas, but a brand

1 new home. He owns them all and when I used to go
2 around to the streets and stuff, you know, after '78,
3 '79, '80, you know, and I used to go and talk to people
4 of my experiences, you know, trying to bring them
5 closer to God, I lived in my car.

6 HENRY: Um-hum.

7 DAVID: And I would drive and I would go out
8 and I would take on subcontracting and I would do decks
9 or roofing or whatever I could find to do by myself or
10 with maybe one other person and make a pocketful of
11 money and then get in my car and, and live a couple of
12 months or so without any worries. And I had all the
13 time in the world to talk with people and, and get
14 familiar with, communicate with people.

15 HENRY: Where, where was this guy Munoz from?

16 DAVID: Okay.

17 HENRY: Was he --

18 DAVID: Originally he was from Mexico years
19 ago.

20 HENRY: Was -- is he Hinter or Antonio?

21 DAVID: His, his name is Antonio.

22 HENRY: Okay, Antonio.

23 DAVID: Antonio Munoz.

24 HENRY: And he was from Mexico?

25 DAVID: Yeah.

HENRY: Okay.

1 DAVID: But he, he lives down, he lives down
2 there in Saxy (phonetic sp.).

3 HENRY: Oh, okay.

4 DAVID: Okay? But anyway I had a -- I was
5 staying with a Russian lumber company in Wylie, Texas.

6 HENRY: Oh, okay.

7 DAVID: Which is up north of Lavonne
8 (phonetic sp.) Highway, if I'm, if I'm correct.

9 HENRY: Um-hum.

10 DAVID: And I was staying back there and this
11 one guy, Kevin, he was, he was fixing to, you know,
12 inherit the lumber company and he had just bought a
13 brand new El Camino.

14 HENRY: Um-hum.

15 DAVID: And he took the brand new motor out
16 and he wanted to put in a new motor, because, see, I
17 used to, to build hot rods all the time. I'm a
18 mechanic.

19 HENRY: Um-hum.

20 DAVID: And so I, I told him, I said, well,
21 I'll help you out. So we made friends and he found out
22 I didn't have a place to stay so he let me stay there
23 in the shop on the, on the lumberyard grounds. So, you
24 know, I built motors and then one day this guy came
25 along and his name was Eddie Munoz --

 HENRY: Um-hum.

1 DAVID: -- a young man, you know, kind of
2 nice looking and everything and he came along and he
3 wanted me to build a motor, so, so I did, so his dad,
4 which is Antonio, came by and met me. And so I built
5 some engine stuff for his truck, 'cause he always had
6 these trucks which he used in the business, tile
7 setting and all that. So he wanted me to do one over
8 at his house, so I went over to his house and he told
9 me, he says, he goes -- my name is Vernon, right?

10 He says, he goes hey, Vernon, then he says,
11 you know you, you work on my truck, you know, and he
12 says I give you some money, he says. I tell you what,
13 he says, you, you don't sleep in your car. You stay
14 here in the night with -- you know, in the house for
15 the night. You know, you stay out in the den there,
16 you know. I said, oh, I can't do that, Mr. Munoz. He
17 goes, no, you, you stay out here. You work on my
18 truck, I give you some money, and you stay at my home,
19 you stay at my house tonight, you know.

20 So I, you know, I was very grateful and I
21 took a shower and I stayed there and he had his shrine
22 in there, you know, and everything and, and, you know,
23 Hilda was his wife -- beautiful family.

24 HENRY: Um-hum.

25 DAVID: You know, just really good people and
I'd, I'd give him Bible studies, you know, and stuff,

1 | you know.

2 | HENRY: Um-hum.

3 | DAVID: Not, not to what I know now --

4 | HENRY: Um-hum.

5 | DAVID: -- but to what little light I had
6 | back then.

7 | HENRY: Sure.

8 | DAVID: And he'd, he'd sit back and --

9 | HENRY: See --

10 | DAVID: -- he'd look at me and smile, you
11 | know, and he'd go --

12 | HENRY: See, that's what I --

13 | DAVID: -- he'd go --

14 | HENRY: See, that's what I think is going to
15 | happen, you know. That's exactly the way that I see
16 | it. I see that, you know, like then you ministered to,
17 | you know, a very limited number of people, you know.
18 | As time has gone on you've ministered to, to more
19 | people, okay. You ministered to all the people that
20 | are in the compound and, and, and some that are not in
21 | the compound, you know?

22 | And, and because of the exposure that, that
23 | you've gotten, you know, you're going -- and because,
24 | you know, either you'll be in prison or in custody for
25 | a limited period of time or however much a period --
 | whatever period of time, you're going to wind up

1 | ministering to a lot larger group of people. I really
2 | believe that.

3 | DAVID: Right. Well, see here, here's the
4 | deal. In one aspect, okay, the way it is right now
5 | because of my position --

6 | HENRY: Um-hum.

7 | DAVID: I mean, there's no way around it. My
8 | charges are murder. I mean, you know, that's, that --

9 | HENRY: Well, okay, but that's not --

10 | DAVID: Let, let's be honest. That's the way
11 | it is --

12 | HENRY: But that's, but that's what -- I
13 | mean, that's what the charges may be, okay?

14 | DAVID: And they have -- exactly. And they
15 | have -- and that's capital punishment.

16 | HENRY: Well --

17 | DAVID: And so --

18 | HENRY: -- see, you're, see you're talking
19 | about, you know --

20 | DAVID: Well, what I'm trying to tell you is
21 | that I'm not afraid of that.

22 | HENRY: Okay.

23 | DAVID: You know, if, if I have an
24 | opportunity, because, you know -- I mean, I mean,
25 | whether, whether, whether you all come in here and
 | shoot me today or whether I get a chance a while to,

1 | like I say you know --

2 | HENRY: See, nobody's coming in to shoot you.

3 | DAVID: Well, well, what I'm saying is
4 | that --

5 | HENRY: I told you we talked about
6 | guaranteeing your safety, for goodness sakes.

7 | DAVID: Right.

8 | HENRY: What are we talking about, David?

9 | DAVID: Right. So, what happens is is that
10 | when, when --

11 | HENRY: Do you understand that?

12 | DAVID: Well --

13 | HENRY: Do, do you feel confident with that?
14 | If not --

15 | DAVID: Look if I -- if, if, if I didn't have
16 | the communication I have right now, okay, listen to
17 | me --

18 | HENRY: Okay.

19 | DAVID: -- Joh -- you know, Henry, seriously
20 | then, you know, it was last night, there'd be more dead
21 | agents around here.

22 | HENRY: I'm sure. I'm sure.

23 | DAVID: Because, you know, these guys are,
24 | are, you know, some of the boys on the National Guard
25 | side or whatever are, you know, they don't understand.
They don't understand. And some of their so-called,

1 | you know, it's true, it's true, that in, in fog it's
2 | true that, that night vision does not work. But, you
3 | know, there's other types of visionary apparatuses too.

4 | HENRY: Um-hum.

5 | DAVID: Which work with red lights and stuff.
6 | And, you know, it's, it's true that, you know, we
7 | understood everything about these tanks and everything
8 | and what they can and can't do.

9 | HENRY: Um-hum.

10 | DAVID: You know, it's like, y'all been
11 | preparing eight months, or the ATF --

12 | HENRY: Well, see, but the AT -- you know,
13 | right now, as you said before, the FBI is involved in
14 | this too.

15 | DAVID: Oh, yeah, right.

16 | HENRY: So, so, you know --

17 | DAVID: Well, we've been preparing ever since
18 | 1985.

19 | HENRY: Well, there you go. There you go and
20 | you can't lose faith or courage, you know, because your
21 | message is very powerful. And because of the faith
22 | that you have in God, and I'm telling you, you know,
23 | because there is no -- there would be no -- nothing
24 | served by killing you or anybody else. That's why
25 | everybody has pulled back and maybe, you know, the
 | cowboys are driving around and, you know, flexing their

1 muscles or whatever, you know, and, you know, so what.

2 I mean, who cares? Forget about them. Okay?

3 DAVID: Yeah.

4 HENRY: When it comes time --

5 DAVID: That's easy for me and you to do, but
6 some of these guys here, like I said, they're going
7 strictly by remembrance and they're always coming to me
8 saying now, where was, where was that at again? I say,
9 over at Zephaniah, back at Habakkuk, you know, you
10 know --

11 HENRY: You tell me when -- you tell me when
12 you, when the time is. When you are, when you are
13 advised that you want to walk out at that moment and I
14 am telling you, I will work with you through this to
15 ensure that everything is done as with the kids to
16 ensure that everybody's safety --

17 DAVID: I believe you.

18 HENRY: -- is guaranteed.

19 DAVID: I've always believed you.

20 HENRY: I want you to think that, I want you
21 to know that, and I want everybody there to know that.
22 I am not going to, I am not going to do anything that
23 is going to jeopardize your situation -- I'm not going
24 to let anybody do that. We don't want that to happen.
25 Okay? The cowboys may be flexing their muscles. Let
them flex their muscles. If that, you know, if they

1 | feel good about that, let them feel good about that.
2 | Okay? The perimeter -- okay, they have to keep their
3 | perimeter? Okay. They're jumping around and big deal,
4 | okay. They've got their perimeter, okay. Great.

5 | DAVID: Yeah. Now you --

6 | HENRY: Great.

7 | DAVID: -- now you know where we're coming
8 | from.

9 | HENRY: Okay. They've got their perimeter,
10 | they're happy, they're delighted, hey, you know,
11 | they're flexing the muscles. Fine. Let's get the
12 | thing done that we need to get done.

13 | DAVID: Right.

14 | HENRY: And let's move on and let everybody,
15 | you know, share your message because --

16 | DAVID: See, the only thing --

17 | HENRY: -- it's a powerful message.

18 | DAVID: The only thing I'm worried about
19 | handling --

20 | HENRY: Okay.

21 | DAVID: -- is that like I say, you know,
22 | Christ had disciples 2,000 years ago. Right?

23 | HENRY: Said what?

24 | DAVID: Christ had disciples 2,000 --

25 | HENRY: Yes.

 DAVID: -- years ago. Right?

1 HENRY: Yes, yes.

2 DAVID: Now, Peter got edgy and chopped off a

3 Centurion -- (End of Tape #48.)

TAPE #49

3/4/93

1 DAVID: I'm going to feel and you're going to
2 feel awful bad --

3 HENRY: Yes.

4 DAVID: -- when this, when these young guys
5 back here, who were, you know, who were approximately,
6 'cause they finally moved, and I'm not calling because
7 I'm so much worried about us, but, I mean -- I'm going
8 to feel awful bad when, when these young men back here,
9 who are sitting back here in this tank, you know, right
10 back here where our trash thing is, which is about --
11 what is that, about 50 -- what 100 and something feet?
12 About, you know, about 150-175 feet from, you know, a
13 perimeter of our building.

14 That, that's -- I mean, that's, you know,
15 they're back there and they're, they're back there
16 moving their thing around and revving their motors and
17 they're not supposed to be there, but what I'm saying
18 is what -- it's, it's going to be real sad, 'cause, you
19 know, we've made these negotiations, it's going to be
20 real sad that all of a sudden, you know, something's
21 going to hit them and that tank's not going to be there
22 in complete pieces, you know.

23 HENRY: What are you talking about?

24 DAVID: I'm talking about, I'm talking about
25 -- there, there are tanks with, with -- and especially
that tank, which is high armored tanks, you know. But

1 | there are also projectiles that can hit that tank and
2 | incinerate a part of that tank and blow part of that
3 | tank inside that tank and hurt somebody.

4 | HENRY: Is that what we want?

5 | DAVID: No! That's what I'm saying. We
6 | don't want that. We want God's will to be done.

7 | HENRY: Then --

8 | DAVID: Okay. People are saying, people are
9 | saying we got all these high-powered weapons. I can
10 | guarantee you that at the time when y'all first came
11 | in, there was no 50-caliber automatic fire against
12 | anybody or anything.

13 | HENRY: Okay.

14 | DAVID: Okay? They're saying one of the
15 | agents was hit with, with a 50-caliber slug. No. If
16 | they would look at the, at the, at the millimeter of
17 | that, they would, they would realize that it may have
18 | been a, a slug, it may have been a slug --

19 | HENRY: Um-hum.

20 | DAVID: -- from a shotgun.

21 | HENRY: Okay.

22 | DAVID: But it wasn't no -- 'cause a 50-
23 | caliber round would, would, would, would do more --

24 | HENRY: Okay.

25 | DAVID: -- than just -- you know what I'm
saying?

1 HENRY: Yeah, I understand.

2 DAVID: And I'm saying it's unnecessary at
3 this point -- I'm saying that, that this is a political
4 matter and it's a political matter in the respect that
5 okay, here's the deal. God is like awesome.

6 HENRY: Yes, he is.

7 DAVID: As Nebuchadnezzar says,
8 Nebuchadnezzar says that when he had a vision, God
9 humbled him, in Chapter 4 of Daniel. And that God made
10 him eat grass with the oxen for seven years. And then
11 God -- then Nebuchadnezzar came out of his trance and
12 Nebuchadnezzar says, now I know that God rules over the
13 sons of men in the Kingdom of Heaven.

14 HENRY: Um-hum.

15 DAVID: That He can set up over His kingdom
16 any that He will, even of the basest of men -- or the,
17 or the smallest of men.

18 HENRY: Um-hum.

19 DAVID: Okay? Now, for some reason, it may
20 sound funny, but for some reason, you know, when this
21 is all finished --

22 HENRY: Um-hum.

23 DAVID: -- depending upon the attitude of the
24 way, you know, the minds of this nation are now
25 thinking and all that.

 HENRY: Um-hum.

1 DAVID: When it's all finished, then, you
2 know, God, God is, God has felt -- not felt, God is
3 perceived that in my life and in myself, that when He
4 reestablishes -- or when the stone hits the image in
5 the feet, that, that He, He wants one like the son of
6 man, right?

7 HENRY: Um-hum.

8 DAVID: To be given a kingdom.

9 HENRY: Um-hum.

10 DAVID: That all nations should, should,
11 should get in this kingdom and become a part of this
12 kingdom.

13 HENRY: Um-hum.

14 DAVID: Okay? Well, the -- God, God wants me
15 to, to not arrogantly, but very humbly present these
16 ideals to the world. And now actually what God did
17 was, was God chose Nebuchadnezzar as a young child and
18 God allowed Nebuchadnezzar to come into the ranks of
19 the political government of Chaldea.

20 HENRY: Yes.

21 DAVID: To where, you know, out of -- this is
22 imaginary -- out of high school, out of college, he, he
23 pulled the ranks, got into focus, got into the
24 military, got into power, got into judiciary power, and
25 somehow became the King of Babylon.

 HENRY: Um-hum.

1 DAVID: Okay? All right. Being al --
2 already a part of the kingship anyway. So he had a lot
3 of authority over hundreds and hundreds of thousands of
4 men, didn't he?

5 HENRY: Yeah.

6 DAVID: Okay. But then what happened was is
7 that there was the Medo-Persian kingdom that
8 confederated together and the two kings of Cyrus and
9 Darius, and they joined together and Cyrus was a very
10 unique politician. He was a person that knew how to
11 negotiate and knew how to win a lot of wars by show of
12 might, but yet he conquered his victims primarily by
13 saying well, we don't need to have bloodshed. Let's,
14 let's reconsider and he would go in and, and, and, and
15 take the providential kingdoms, but he would also turn
16 many of the officers back to their original people that
17 were under the previous government.

18 HENRY: Um-hum.

19 DAVID: I mean, people loved Cyrus. You can
20 read history books on him.

21 HENRY: Um-hum.

22 DAVID: I mean, he was really a nice king and
23 this -- sad to say, this is our present day, you know,
24 people of, you know, the ones that are over through
25 Iraq. I mean, Iraq's where ancient Babylon originally
was. So, you know, the keynote is that, you know, this

1 | good man was also foretold primarily in prophecy, with
2 | secondarily his name applied to something more
3 | specifically to do with Christ.

4 | The ability to overthrow confusion or to
5 | overthrow Babylon. And then, you know, people began to
6 | become equal -- evil and God arose up Alexander the
7 | Great.

8 | HENRY: Um-hum.

9 | DAVID: And, and God foretold this great
10 | king. And God foretold how they'd eventually become a
11 | judiciary system that would govern the world through
12 | Rome, and all the Cesars -- you know, God allows men to
13 | have power and authority and they're judged on how they
14 | use this power and authority. And finally it comes
15 | down to the latter days that there's one man with a
16 | book that's going to become kings of, of all the earth.

17 | HENRY: Um-hum.

18 | DAVID: You know. And really, what, what his
19 | intention is is to make all men kings and priests.

20 | HENRY: Um-hum.

21 | DAVID: And so it's kind of like, you know,
22 | I'm not into any, I'm not into any power play or
23 | anything, but what it really comes --

24 | HENRY: Please.

25 | DAVID: -- down to as far as the light of the
world, you know, you know, I am like in a position of a

1 king.

2 HENRY: I understand.

3 DAVID: It may be a profane kingdom like
4 Psalms 89 says. It may not be a very great kingdom --

5 HENRY: Um-hum.

6 DAVID: -- but at least when I pick up my
7 little Bobby and my children, you know, you know, I'm
8 treated like a king.

9 HENRY: Sure.

10 DAVID: It's not -- I don't --

11 HENRY: As well you should be.

12 DAVID: -- it's not -- my children don't bow
13 down to me. They don't --

14 HENRY: Well, no --

15 DAVID: They don't respect me as if they --
16 you know, but the thing of it is is that I am very
17 privileged and proud --

18 HENRY: Sure.

19 DAVID: -- that I have a part in this world
20 to, to be able to -- to have affections and to share
21 affections and knowledge and truth --

22 HENRY: Um-hum.

23 DAVID: -- with, you know, and as you know
24 I'm a polygamist.

25 HENRY: Um-hum.

DAVID: You know, and, and these women are

1 very intelligent, very spiritual, very intelligent and
2 they -- we love each other. I mean, there's just --
3 and, you know, this is something not normal or
4 natural --

5 HENRY: Um-hum.

6 DAVID: -- in today's world.

7 HENRY: Um-hum.

8 DAVID: There's got to be a higher reason and
9 a higher experience for it.

10 HENRY: Um-hum.

11 DAVID: To those who don't know about it, it
12 would be considered brainwashing, but maybe the Bible
13 does brainwash us. Maybe it cleanses our minds, you
14 know.

15 HENRY: Um-hum.

16 DAVID: But the keynote is that they respect
17 me with authority and they know how I've dealt with
18 them and they know that no matter how many times
19 they've fallen or made mistakes, they know that I've
20 always been there to help them up, 'cause I too myself
21 have lived a life before the quickening and I have, I
22 have, I have made mistakes too.

23 HENRY: Sure.

24 DAVID: So, I'm --

25 HENRY: We all have.

DAVID: -- I'm like, I'm like a shepherd.

1 HENRY: Right.

2 DAVID: But, you know, the babies and all
3 that, that's my kingdom, for such is the kingdom of
4 God.

5 HENRY: Right.

6 DAVID: Now, when I am told, and I know you
7 don't know how this happens, but it does, when I am
8 told that it's time for me to, to go into my last phase
9 of this work and we come out to you, you know, from
10 that point on that's when you should really listen to
11 me.

12 HENRY: Okay. Now, I want you to tell me --

13 DAVID: You know, now this is where --

14 HENRY: I want you tell me now, I want you to
15 tell me now how you see yourself coming out.

16 DAVID: Well, when I'm, when I'm told. I
17 mean as, as, as the judgment's finishing up here, as
18 I'm told, then based upon how people are perceiving
19 what I've already said, and looking at the situation
20 and realizing how, you know, everyone's going to
21 realize in their own mind and heart, that's heard of
22 this story, that well, hey, you know, this is what
23 appears to be. Maybe there might be something more.
24 Now, just what did he teach? Course --

25 HENRY: No, no. That's not what I'm talking
about. I want you to tell me how it is that you're

1 going to come out of there. Do you see two guys
2 carrying you out in that stretcher?

3 DAVID: Well, I'm hoping maybe in a couple of
4 days or so, you know, I mean -- wait, when you -- wait
5 till you see this bullet hole, you know.

6 HENRY: Well, that's why I'm saying --

7 DAVID: The thing of it is is that, you know,
8 my, my --

9 HENRY: See, see --

10 DAVID: -- my blood pressure, my strength,
11 and my health is coming back quickly, you know. And
12 people are like laughing, but that's all right. They
13 can laugh.

14 HENRY: No, no, no.

15 DAVID: Maybe I might --

16 HENRY: That's --

17 DAVID: Maybe I might come jogging out, I
18 mean, you know, hopefully.

19 HENRY: You're not talking about 2000 years,
20 are you?

21 DAVID: In 2000 years?

22 HENRY: Yeah. I mean, you know, what are we
23 talking about?

24 DAVID: No, no, no, no, no, no, no.

25 HENRY: Do you think it's going to be
tonight?

1 DAVID: Well, I don't know.

2 HENRY: Tomorrow?

3 DAVID: I -- could be.

4 HENRY: Okay.

5 DAVID: I really can't honestly answer that
6 at this time.

7 HENRY: How do you see yourself -- I mean
8 right now, how do you see yourself coming out? Do you
9 see yourself walking out? Do you see yourself being
10 carried?

11 DAVID: No, I would have to be carried out
12 right now.

13 HENRY: Okay. Okay.

14 DAVID: I mean, I'd need -- we, we, we got
15 this thing still here, by me.

16 HENRY: Okay.

17 DAVID: The little orange thing that they,
18 that they sent off.

19 HENRY: Okay. Now, one of the things I want
20 you to think in terms of is if you were to come out,
21 for example, say tomorrow, okay? 'Cause I told you you
22 are going to be taken to a medical facility.

23 DAVID: Right.

24 HENRY: Which is going to afford you an
25 opportunity to, you know, to be heard by people in the
facility and other people, okay? And at some time you

1 will, in fact, you know, be in, in custody.

2 DAVID: Oh yeah.

3 HENRY: And, of course, you're going to have,
4 you know, another audience at, you know, at that time,
5 so you're going to have the, the opportunity to have a
6 lot of people listen to you. Okay? Well, now, one of
7 the things I want to go back to is something that you
8 talked about. Now, I want you to tell me, and I know
9 that you could have picked off, you know, some of the
10 guys, you know, before. I want you to tell me that we
11 are going to continue working, you know, for safety.

12 I don't want, you know, I -- there -- in
13 addition -- see, this perimeter thing that these guys
14 are, are safeguarding is because there's also a lot of
15 curiosity seekers, okay? People want to get close to
16 see what's going on and I'm not just talking about our
17 people. I'm talking about curiosity people, civilians,
18 press people, or whatever. Okay? I want to make sure
19 that nobody gets -- that there is no mistake, okay?
20 Either from your side or our side. But I need you to
21 tell me that you're going to continue in this spirit of
22 cooperation that we've -- that I know that, that you've
23 had.

24 DAVID: Right. Okay. Here's what, here's
25 what I can guarantee. I can guarantee that if, that if
these, if these young men who are driving these tanks

1 and stuff, you know, stay their proper distance like we
2 asked and stop rolling over our buildings and stuff
3 like this, 'cause see, like I say, a lot of the young
4 men here are looking at this and they're, and, and
5 they, they are, you know, they get angry real quick.

6 HENRY: Um-hum.

7 DAVID: You know, not like me. I mean, but
8 they have, they've, they're going by the words of the
9 book. They're not going by the vision that I've been
10 shown. Okay? And they keep forgetting that somebody
11 that's doing that is very ignorant of what they don't
12 know. You see?

13 HENRY: Um-hum.

14 DAVID: And so, you know, so they, so they,
15 they, they sit here and, you know, they've all been
16 trained, you know, and they understand some things and
17 stuff like that. And, and they're, and they're like,
18 you know, they get to the point to where they don't
19 care if they die.

20 HENRY: I understand.

21 DAVID: But, you know, they feel like, they
22 feel like that, that this big brother, the big arm of
23 this simple little measly old nation --

24 HENRY: Um-hum.

25 DAVID: -- you know, is just trying to -- but
I'm trying to -- them, I said, look, this is like --

1 let's pretend they're little brother.

2 HENRY: Um-hum.

3 DAVID: And we're big brother.

4 HENRY: Um-hum.

5 DAVID: You know, and all they're doing is
6 they're like little brother that's coming out there
7 taking your basketball --

8 HENRY: Yeah.

9 DAVID: -- and trying to play with it and
10 they're just --

11 HENRY: Yeah.

12 DAVID: -- misusing, you know --

13 HENRY: Yeah.

14 DAVID: And you have to tolerate that to some
15 degree.

16 HENRY: Yes.

17 DAVID: You know? And the thing of it is is
18 that they're coming out here and they're -- they don't
19 believe in the spirit, you know. The things that are
20 unseen right now at this time are more powerful and
21 bigger than the things that are seen.

22 HENRY: Um-hum.

23 DAVID: The events that are to take place in
24 this world, which have eternal, eternal, more or less
25 say, consequences --

HENRY: Um-hum.

1 DAVID: -- either for life or death --

2 HENRY: Yeah.

3 DAVID: -- are things that we need to keep
4 our minds open to realize so, you know, a lot of
5 people, they come run, you know, I'm laying here, like
6 this tanks back here and they're like, you know,
7 they're like oh, oh, oh. And I says, just relax. Just
8 rest in the Lord right now. Now, now utilize
9 everything you've learned.

10 HENRY: Yes.

11 DAVID: I said, we've done everything we
12 could in the first phase to try to get to happen what,
13 what -- not to happen what happened --

14 HENRY: Well --

15 DAVID: -- and it did.

16 HENRY: Yeah.

17 DAVID: So now we already know that much
18 about the nature of these people, but now secondarily
19 is is that what we tried to avoid, they got in front of
20 and now they're out there, you know, and, and in their
21 pride and arrogancy, they're all getting mad and upset,
22 you know --

23 HENRY: See --

24 DAVID: -- because, you know, they got their
25 behinds whipped, you know?

 HENRY: Yeah --

1 DAVID: Which should have never happened.

2 HENRY: Exactly. It's -- let me ask you
3 this. Can I ask you to go beyond and stretch as far as
4 you can stretch and please ask for Divine intervention
5 with as much concentration, sincerity as you can,
6 because I think one of the things that is happening is
7 young people are under strain and young -- for young
8 people, patience is very difficult.

9 DAVID: Right.

10 HENRY: Can you please stretch and see if you
11 can get your message now so that we can get everybody
12 out of there now, before people -- these young people
13 reach the limit to their patience? Please.

14 DAVID: Well --

15 HENRY: Do me that favor. Can you tell me
16 that you'll try to --

17 DAVID: -- that's what I've been doing every
18 day and every night.

19 HENRY: David, please.

20 DAVID: I am. I really, really am. And then
21 my god says wait. See you don't know about these gods.

22 HENRY: What I do know is what you've told
23 me. And one of the things that you told me is that you
24 were in a situation where you were at your wit's end
25 and you reached out to God and He responded to you.

 DAVID: That was earlier in life.

1 HENRY: I --

2 DAVID: That was simple. That was, that was
3 no problem stuff. But my, my, my level of maturity in
4 handling problems came through many different simple
5 events till finally, today, resting totally in the Word
6 of God, not just by a bunch of words that I have tried
7 to interpret, but by being shown, you know, the whole
8 picture --

9 HENRY: I understand.

10 DAVID: -- now my concern is that -- well,
11 like Elijah said to his servant, fear not, they that --
12 us are more than they that be with them, for they are
13 flesh and blood, for our side is Spirit.

14 HENRY: That's right.

15 DAVID: Okay?

16 HENRY: And we, we, we have a lot of Doubting
17 Thomas', you realize that, you know.

18 DAVID: Oh, yeah. I -- me and you, we're
19 one, one communication, one bloodline, but some of the
20 other bloodlines are clotted.

21 HENRY: Exactly. And that's why we need for
22 you to, even though you can't get down on your knees, I
23 want you to, in your mind, be down on your knees so, so
24 that --

25 DAVID: Well, I'm on my back, looking
upwards --

1 HENRY: (Laughter.)

2 DAVID: -- and, and waiting.

3 HENRY: I, I really, I really feel that there
4 is an awful lot of people that are on, you know, that
5 are under pressure, because of the waiting. And I'm
6 not talking about you and me. I'm talking about the
7 young people, you know, within the compound and the
8 young people outside of the compound.

9 DAVID: Yeah.

10 HENRY: You know? So, if there's anything
11 that you can do to speed the process up, I tell you,
12 you know, I think it'll be in the best interest and,
13 and everybody will be served, you know, greatly because
14 your message needs to get out. It needs to get out and
15 there are lots of people that you're going to -- whose
16 lives you're going to touch. You've touched a lot, a
17 lot of people's lives, but there are thousands more
18 that you need to touch.

19 DAVID: Well, it's, it's going to be, going
20 to be definitely worked out. That's for sure.

21 HENRY: Good.

22 DAVID: So that's why, like I said, I was
23 just simply bringing up that like last night, you know,
24 these guys that are creeping around out here, thinking
25 they're hiding and all that, they're not.

 HENRY: Um-hum.

1 DAVID: You know, and the darkness doesn't
2 cover them and the, and the fog doesn't. It covers
3 them to a degree.

4 HENRY: Yeah.

5 DAVID: But there's a certain point of degree
6 to where, you know, you know, infrared and stuff like
7 that, you know, you can just about today purchase from
8 like Excaliber and places like that.

9 HENRY: Um-hum.

10 DAVID: Just about any of the, you know,
11 Series 1, Series 2, or Series 3, you know, technical
12 scoping and stuff like that.

13 HENRY: Uh-huh.

14 DAVID: And, of course you know there's,
15 there's, there's units that you can sense, you can
16 sense when you're using infrared and stuff like that.

17 HENRY: Um-hum.

18 DAVID: But it's not so much that as it's
19 when you're using the, the shadowed light, you know,
20 the, the lights that have the, you know, you, you, you
21 put a filter on them and --

22 HENRY: Uh-huh.

23 DAVID: -- then you're able to see.

24 HENRY: Uh-huh.

25 DAVID: So, you know, you know, and like,
like -- okay, this tape back here -- it's not there

1 now. It's, it's been moved and that makes everybody
2 more at rest. You know, it's kind of like someone out
3 there sticking their tongue at you --

4 HENRY: (Laughter.)

5 DAVID: -- you know, the thing is it
6 shouldn't, it shouldn't, it shouldn't, it shouldn't
7 hurt our feelings --

8 HENRY: I know what you're saying.

9 DAVID: But the thing of it is is that, you
10 know, I just don't want, you know --

11 HENRY: Yeah.

12 DAVID: -- to make a bad thing worse --

13 HENRY: Exactly.

14 DAVID: -- by, by somebody out there finding
15 out a hard way that you, you don't violate, you don't
16 violate trust and promises like that by doing those
17 things, 'cause that stuff is made out of, you know,
18 high-strengthened steel --

19 HENRY: Um-hum.

20 DAVID: But, you know, there are things that,
21 you know, are available, you know, whether illegal or
22 elegal (phonetic), you know. They are available that
23 can, that can penetrate those little buggies out there.

24 HENRY: Um-hum.

25 DAVID: You know?

HENRY: Um-hum.

1 DAVID: And, and the thing of it is is like I
2 say, you know, it's a government -- it's, it's a
3 political thing now. It's a political thing to where,
4 you know, my god is a political ruler and, and I am, I
5 am embannered to my god. Now, I would not be doing
6 this if what I had experienced was not true.

7 HENRY: Well --

8 DAVID: If, if I did not know this god, and
9 if the president of the United States had come to me
10 one day and says, you know, Mr. Howell, I want you to
11 work with the United States of America, you've been a
12 good citizen. I've, I've seen your report cards.
13 You've been a good citizen and I want you to work on a
14 tactical force with the FBI and I want you to help deal
15 with, with bad guys and everything and I'd like to give
16 you this position and then, then that's -- I would have
17 been so honored and so proud that somebody would have
18 overlooked my apparent bad English and bad history, you
19 know what I mean?

20 HENRY: Um-hum.

21 DAVID: And bad spelling and all that and
22 would have looked basically at my citizenship and my
23 commitment, you know, and to give me such a position.
24 And then, then I would be where you're at right now.

25 HENRY: Uh-huh.

 DAVID: And some, some other goofy would be

1 | where I'm at right now.

2 | HENRY: Um-hum. Well, see, one of the things
3 | though is, as a matter of fact, on behalf of the FBI
4 | and on behalf of the ATF, I am asking you, you know, to
5 | help us with this situation that we have at hand.

6 | DAVID: Right.

7 | HENRY: And I know that, that you have, you
8 | know, that you have helped us, because like you said,
9 | you've, you've kept the young guys within the compound
10 | who feel that they're being taunted, you know, and
11 | could have picked off some of these guys, you, you've
12 | kept them from doing that. Now, I, I ask you with all
13 | sincerity, to please do whatever you need to do so that
14 | we can bring this thing to a conclusion as soon as
15 | possible. I think that the world needs to hear your
16 | message and it will hear your message. And I look
17 | forward to that. I will continue to follow what
18 | happens to you from now on.

19 | DAVID: Well, that's good. I hope so. But,
20 | you know, that wisdom, you know, can, can you, can you
21 | imagine being a big macho guy and standing before God
22 | in the judgment and there has to be a woman there too?

23 | HENRY: Um-hum.

24 | DAVID: Isn't that wild?

25 | HENRY: Really.

 DAVID: And to think that the way we treated

1 women is the way we're going to be judged in the
2 judgment?

3 HENRY: Um-hum.

4 DAVID: Oooh.

5 HENRY: I know it.

6 DAVID: And you know --

7 HENRY: I know --

8 DAVID: -- all -- a lot of Hebrews, see, they
9 already know about -- key to being feminine, but, you
10 know, the Greek and the Roman systems, they were very,
11 you know, they were paganistic and they were very
12 masculine-predominant in their religions.

13 HENRY: Uh-huh.

14 DAVID: And they, they just totally went to
15 the manuscript and -- especially the Aramaic New
16 Covenant manuscript, and everywhere the, the Shekhina
17 was brought to pass, which is the spirit that Christ
18 refers to, Chachma Wise Woman --

19 HENRY: Um-hum.

20 DAVID: -- they change it to masculine. They
21 change it to Paraclete Numa, made it either the spirit
22 of neuter or masculine. That's funny how people can
23 decide, well, I don't like God in the concept of being
24 male and female and being a family.

25 HENRY: Um-hum.

DAVID: That's where the Star of David

1 originally originated from. It, it based itself in two
2 triangles linked together --

3 HENRY: Um-hum.

4 DAVID: -- an incorporation of what the
5 pyramids were. It showed that at each angle or pivot
6 there was a connection between the father, the mother,
7 both coming together into one, the offspring. So the
8 symbol of the Star of David was the family in heaven
9 being united with the family on earth. That's why they
10 interlock together, making the six sides of the pointed
11 Star of David.

12 HENRY: Um-hum.

13 DAVID: Of course, you know they -- some
14 people consider that to be a cultic sign, but of
15 course, anything in the world that you look at and have
16 regard to, not knowing the meaning or significance to
17 the reality of it, is a cultic sign. Even if it's a
18 cross of Jesus.

19 HENRY: Um-hum.

20 DAVID: You know?

21 HENRY: Um-hum.

22 DAVID: So anyway, I'm going to go ahead and
23 let you go and in the morning Heather will be coming
24 out.

25 HENRY: At first light?

DAVID: Yeah, you know. Give, give us a

1 little chance to, to crank up in the morning.

2 HENRY: Okay.

3 DAVID: And --

4 HENRY: Are you coming out with Heather?

5 DAVID: I, I can't answer that right now.

6 Possibly. Maybe. I don't know.

7 HENRY: Okay.

8 DAVID: I mean I'm being --

9 HENRY: I want you to --

10 DAVID: -- honest with you now.

11 HENRY: Okay. I want you, I want you to work
12 towards that. I really --

13 DAVID: I've been praying every day which
14 plan. Okay. Let me explain. In the prophecies,
15 Isaiah 28 for instance. Well, let me just go back.
16 From the time of Moses, God refers and says, Moses,
17 Moses. The prophecies all throughout the prophetic
18 rise of the scripture, and this is very unique and a
19 mystery that I've shown to a lot of people, the
20 prophecies stutter. Statements are repeated twice. In
21 all the prophecies.

22 Now, a person might not even know this or
23 not, not -- may not be aware of it for the longest
24 time --

25 HENRY: Um-hum.

DAVID: But of course in the prophecies

1 Babylon the great is fallen, is fallen?

2 HENRY: Um-hum.

3 DAVID: Isaiah 28 talks about a strong and
4 mighty one that God raises up, that's going to be as a
5 overflowing scourge, as tempest and hail, and you know,
6 mighty fire overflowing that's going to cast down to
7 the ground the crown of pride. And it says that, that
8 it'll be as an overflowing scourge that the wicked --
9 it'll be like their beds will be too short to sleep in.
10 You know, so God says -- about this event, God says,
11 whom shall he teach knowledge and who shall he make to
12 understand doctrine? 'Cause the whole subject revolves
13 around all the prophecies about this event.

14 HENRY: Um-hum.

15 DAVID: It says them that are weaned from the
16 milk and drawn from the breast, for precept must be
17 upon line upon line, precept upon precept, precept upon
18 precept, line upon line, line upon line, here a little,
19 there a little. For with stammering lips -- stammer
20 means stutter, right?

21 HENRY: Um-hum.

22 DAVID: And all the prophecies do this. They
23 all come to a point of importance and it repeats itself
24 twice.

25 HENRY: Um-hum.

DAVID: In another tongue when he speaks to

1 this people to whom he said, this is the rest where ye
2 shall cause the weary to rest and this is the
3 refreshing, but yet they would not hear. Now, the
4 seventh day of the Lord thy God is the day where we
5 find rest. God's commanded a law that thou shalt work
6 six days, but on the seventh day, it's the day of the
7 Lord thy God. And he explains that God made heaven and
8 earth in six days and chose a day to sit back and have
9 a good time. Right?

10 HENRY: Um-hum.

11 DAVID: And so what happens is that many
12 people, they, they don't really know which day the
13 Sabbath is. Some people are not even convicted on it,
14 but, but, but nonetheless, one day of the seven God
15 commands to have a day that's dedicated to God. Right?

16 HENRY: Right.

17 DAVID: But Christ says the Sabbath is not
18 made -- man is not made for the Sabbath, the Sabbath is
19 made for man. Now, on the original Sabbath, Eve was
20 created in the evening of the sixth day, wasn't she?

21 HENRY: Um-hum.

22 DAVID: Adam had already been hired in the
23 Garden of Eden and already had a job, hadn't he?
24 Naming the animals.

25 HENRY: Um-hum.

DAVID: But the scripture says there was no

1 help meet for Adam. Now, Adam just didn't know what to
2 do, did he? So, the Lord God caused Adam to rest. A
3 deep sleep fell upon Adam and while Adam was resting,
4 God began to work to form the Shekhina, or to reveal
5 the mystery of the inner man.

6 HENRY: Um-hum.

7 DAVID: You see? And now God formed the
8 woman and brought them to the man and he says, now this
9 is Isha, for out of man she was taken. For she is bone
10 of my bone and flesh of my flesh. In other words, now
11 I'm complete.

12 HENRY: Um-hum.

13 DAVID: Now, the Bible commands the Sabbath
14 to be observed from even to even, okay?

15 HENRY: Um-hum.

16 DAVID: So on that sixth day as the sun began
17 to dawn -- I mean, the sun began to draw into the
18 evening, Lylatov, what took place was is that God
19 commanded the man and the woman to enter into the
20 Sabbath covenant.

21 HENRY: Um-hum.

22 DAVID: So, now, you know what that was,
23 don't you?

24 HENRY: What now?

25 DAVID: The Sabbath covenant.

HENRY: Oh.

1 DAVID: Well, that's, that's the whole
2 purpose of the Sabbath.

3 HENRY: Um-hum.

4 DAVID: A memorial of the living God. God's
5 made -- God made man after God's image and to God's
6 likeness, right?

7 HENRY: Um-hum.

8 DAVID: Well, in Isaiah 58, Isaiah is
9 commanded to proclaim a message of Israel, saying lift
10 up thy voice like a trumpet, you know, lift up thy
11 trumpet, show my people trans -- show my people their
12 transgression and the house of Jacob their sins.

13 HENRY: Um-hum.

14 DAVID: And God says, this is the fast that I
15 have chosen, for you to bow your head as a bulrush and
16 to spread ashes underneath you and to hang your head,
17 you know, and to grow mournfully. God says is, is this
18 not the Sab -- the fast I've chosen for you to, to feed
19 the hungry and to clothe the naked and those that are
20 cast out into your home and to hide not yourself from
21 your own flesh?

22 Now, the Sabbath day is a day where God
23 blesses mankind with the end of the work of the week
24 and the joys of having husband and wife and they
25 becoming one flesh.

 HENRY: Um-hum.

1 DAVID: That's why the word Shabbat is Abba,
2 which means Father, and Shabbat is feminine, which
3 means the father is in the mother.

4 HENRY: Um-hum.

5 DAVID: Now, that's pretty nice, isn't it?

6 HENRY: Um-hum.

7 DAVID: Okay. Now, so what happens is is
8 that Jeremiah talks about lo, the day has come saith
9 the Lord, when Judas shall say, they shall use this
10 speech in the Lion of Judah, behold a woman shall
11 compass a man. Now, you know when a, when a man and a
12 woman are together, united together --

13 HENRY: Uh-huh.

14 DAVID: -- the man is complete in the woman,
15 isn't he?

16 HENRY: Um-hum.

17 DAVID: Okay. You see? Now, that's the
18 memorial to the god of creation.

19 HENRY: Um-hum.

20 DAVID: Now, when the -- Constantine and them
21 changed the, the laws of God, they took on a different
22 spirit.

23 HENRY: Um-hum.

24 DAVID: And they proclaimed the first day of
25 the lunar week as the Sabbath, which was Sunday, and
that institution went on and took in additional laws

1 being inspired from a different spirit and they began
2 to command men not to marry. And of course what
3 happens is the natural purposes of creation, these men
4 entered up into all kinds of problems, such as
5 homosexuality in the priesthood and things like that.
6 You know, Martin Luther, though, he, he began to
7 research and he, he put things back right by mar -- by
8 marrying Catherine Van Borne (phonetic sp.) in 1525. I
9 -- that's a beautiful story. Have you read it?

10 HENRY: Um-hum.

11 DAVID: Yeah, you know, he, he was going to
12 give her to somebody else and she says, no, Luther, I'm
13 going with you. So -- you know it's funny how people
14 can get wild ideas about things and they can think --

15 HENRY: Hold on a second. Hold on a second.

16 DAVID: -- something's true.

17 HENRY: Hold on a second. Hold on --

18 DAVID: Sure.

19 HENRY: Listen. They just gave me a message
20 here -- hold on a second. Okay. Some of those tanks
21 are going to be moving around during the night, but
22 they want me to, to tell you that, that it's going to
23 be routine in terms of, of the shifting of the, you
24 know, a shift change and to ensure that the perimeter
25 is okay, nobody's going to come in there or anything.
But they want you to know that there's no danger to

1 anybody in the compound.

2 DAVID: Okey doke.

3 HENRY: Okay?

4 DAVID: Let me, let me get the message
5 around. But tell them, just please be careful.

6 HENRY: I will.

7 DAVID: Okay?

8 HENRY: I will.

9 DAVID: I, I appreciate that.

10 HENRY: Okay.

11 DAVID: 'Cause if something messes up on this
12 side or on your side, then World War III again.

13 HENRY: No, we don't need that.

14 DAVID: You know what I mean?

15 HENRY: We do not need that.

16 DAVID: I know. It's crazy. Let's, let's
17 let, let's, let's, let's look at these passages of
18 scripture I've been sharing with you --

19 HENRY: Yes.

20 DAVID: -- and I wish your other agents, they
21 would look at them and, and, you know, take a look at
22 them and, and, you know, it would be so awesome if
23 everyone could just sit down and have --

24 HENRY: I know.

25 DAVID: -- one honest Bible study in this
great nation of America.

1 HENRY: Well --

2 DAVID: You know, America does not have to be
3 mutilated or destroyed.

4 HENRY: Well, you're right, see --

5 DAVID: It can be exonerated still above all
6 other nations.

7 HENRY: And that's why I'm telling you,
8 that's why I'm telling you, because one of our
9 weaknesses is the number of people that we have in, in
10 prisons. Okay? Here you have a perfect opportunity to
11 make a difference. You know? For people that are
12 forgotten, that nobody cares about.

13 DAVID: Well, no one is forgotten in God.
14 That's for sure.

15 HENRY: Well, I know but I'm saying within,
16 you know, within our system here, within our system
17 here, who -- you know, there's very few clergy that go
18 into the prisons to, to teach the Word. I don't know
19 why. You know, I mean, it shouldn't be that way, but
20 that's the way that it is. It's a shame. The flock
21 should be growing and, and instead, you know, the --
22 it's the other way around. Peop -- more and more
23 people are moving away from the religion. And that's
24 that, you know, I think that's that's one of the
25 problems --

DAVID: That's the abomination of the

1 churches. They have no knowledge to give them.

2 HENRY: Exactly. Exactly.

3 DAVID: Okay. Well, let me get this out to
4 them and --

5 HENRY: Okay.

6 DAVID: -- and, and, you know, tell the guys
7 to give us a few minutes out there on your side --

8 HENRY: Okay.

9 DAVID: -- and we'll get this underway.
10 Okay?

11 HENRY: Okay.

12 DAVID: And I'll, I'll talk to you in the
13 morning. Is that okay?

14 HENRY: Okay. I'll call you in, in the
15 morning at, you know, like I did this morning and we'll
16 get --

17 DAVID: You ever get any sleep over there
18 where you're at?

19 HENRY: No. I don't get any sleep during the
20 night, you know. I got to be here to make sure if, you
21 know, if you need something I'm, I'm here to respond to
22 you. If you get the word in the middle of the night,
23 you know, you can call me. I want you to be able to
24 call me at any hour.

25 DAVID: I see. Okey doke then.

HENRY: You will?

1 DAVID: Well, yeah, if I need you.

2 HENRY: Okay.

3 DAVID: I mean the thing of it is is that,
4 you know, we've just been telling Jim and all that --
5 today we kind of got hard with him, because, you know,
6 I've, I've allowed, you know, y'all to infringe closer
7 and closer against the original agreements --

8 HENRY: Well, see --

9 DAVID: -- and we've told him --

10 HENRY: -- this, this --

11 DAVID: -- we've said, point blank, we said
12 we don't mind you using your psychology to negotiate
13 with us, but the keynote is this, is that you're fixing
14 to get one of these vehicles out of here blown to
15 pieces --

16 HENRY: We don't want that.

17 DAVID: -- and then you're going to find
18 out --

19 HENRY: For God's sakes, don't say that.

20 DAVID: -- you're going to find out --

21 HENRY: Don't even say that. Don't even say
22 that.

23 DAVID: Well, I know, but see, look.

24 HENRY: See, because what they're trying to
25 do is they're trying to ensure the perimeter, okay?
This is not a situation --

1 DAVID: But when we are told --

2 HENRY: -- that they're trying to, to
3 threaten you. It's, it's to ensure that nobody --

4 DAVID: I know.

5 HENRY: -- everybody wants -- there is a lot
6 of people, they're civilians. They're not --

7 DAVID: But they're not going to be coming
8 right down here right behind our gymnasium.

9 HENRY: Yes, they are. We have to ensure
10 that nobody walks into that place. I mean, when they
11 say that walks in -- you know, they're curiosity
12 seekers. Do you have any idea how many people are
13 around this town as a result of this thing?
14 Everybody's going crazy.

15 DAVID: Well, maybe I should send some tee
16 shirts out or something.

17 HENRY: Well, you -- I'll tell you what.
18 You'll -- if you come out, you'll be -- and, and you
19 want to sell some tee shirts --

20 DAVID: I wouldn't sell them, no. They'll
21 put them up and use them for toilet paper.

22 HENRY: (Laughter.)

23 DAVID: Oh, boy.

24 HENRY: I'm telling you, I'm telling you.

25 DAVID: We're a mess, aren't we.

 HENRY: I know it.

1 DAVID: I'm sorry that -- oh, boy.

2 HENRY: Do you know --

3 DAVID: This crazy humanity.

4 HENRY: -- you know, the media will do
5 anything for a story. And everybody's curious because
6 there's no stories coming out.

7 DAVID: Oh, yeah. No matter, no matter how
8 it hurts anybody. I know.

9 HENRY: I know.

10 DAVID: It's, it's sad, but you know --

11 HENRY: Listen --

12 DAVID: -- God's got it underway.

13 HENRY: Listen. You've done an awful lot and
14 I appreciate it and we -- and, and we're going to try
15 to do everything we can because we don't want anybody
16 else to get hurt. For God's sakes, you know. If you
17 have something that, that you need, call me. You know.
18 Have Steve call me. Somebody call me, but, you know,
19 don't let any -- anybody do anything crazy. Please.

20 DAVID: Yeah. I do have a question.

21 HENRY: Okay.

22 DAVID: Some -- we had a, we had some, some
23 sutures and somehow they got misplaced. I think they
24 were taken down to another place.

25 HENRY: Okay.

 DAVID: Because originally down in my

1 mechanic shop down there --

2 HENRY: Um-hum.

3 DAVID: Off of Loop 340, I think what
4 happened was is that, you know, Bob down there was a
5 surgical nurse --

6 HENRY: Um-hum.

7 DAVID: -- and, of course, he's retired now,
8 but I think he had that stuff down there with him. If
9 y'all could check in the morning when Heather goes out,
10 if y'all could check and possibly bring that stuff to
11 us or if you could, could, could find some, some
12 stitching stuff.

13 HENRY: Okay.

14 DAVID: Because this, this shot that I have
15 in my, in my wrist -- I mean, and it's already been,
16 you know, quite a bit, but I think I could still, you
17 know, reclean it and, you know, get all the scabs away
18 and all that and, and I'd like to kind of pull the --
19 'cause it looks, it looks really bad, like the out two
20 side layers of skin are like -- really look funny.

21 HENRY: Okay.

22 DAVID: They're really pooched up and split
23 out and, and it's, it's like a good old clean -- like
24 someone just went and just with a clean, I don't know,
25 a bucket, shovel, or something, just dugged a big old
gouge out of my wrist here and I'd like to be able to

1 kind of sew that up a little bit.

2 HENRY: Um-hum. Well, let me ask you this.

3 Is there somebody that knows what they're doing or do

4 we need to bring you out?

5 DAVID: Oh yeah, yeah.

6 HENRY: Okay. They're sutures?

7 DAVID: Yeah. You know, they comes -- in a

8 sterile package, it's got little needle and it's got

9 the, the thread, the surgical thread.

10 HENRY: Yes.

11 DAVID: You know.

12 HENRY: Okay. I'll work on that and I'll,

13 I'll --

14 DAVID: If it's no trouble, you know.

15 HENRY: Yeah. Oh, it's no trouble. You

16 know.

17 DAVID: Okey doke. Appreciate it then.

18 HENRY: Okay. Okay.

19 DAVID: Lylatov, shalom, shalom.

20 HENRY: Okay.

21 DAVID: Okay.

22 HENRY: Adios.

23 DAVID: Bye-bye.

24 HENRY: Bye.

TAPE #50

March 4-5, 1993

11:30 p.m. - 8:20 a.m.

1 HENRY: Hello? Hello?
2 MR. SCHNEIDER: Hello? Can you hear me?
3 HENRY: God --
4 (Electronic noises)
5 MR. SCHNEIDER: Hello?
6 HENRY: Hello?
7 MR. SCHNEIDER: Pass that over here a minute
8 (indiscernible).
9 HENRY: I'm, I'm sorry?
10 MR. SCHNEIDER: (Indiscernible) hookup
11 (indiscernible). Hello?
12 HENRY: Good morning.
13 MR. SCHNEIDER: Good morning.
14 HENRY: How are you?
15 MR. SCHNEIDER: Crazy phone.
16 HENRY: It is. How are you this morning?
17 MR. SCHNEIDER: Not too bad. How's yourself?
18 HENRY: I'm doing okay.
19 MR. SCHNEIDER: Good.
20 HENRY: David asked me to call him first
21 thing this morning so we could get Heather going.
22 MR. SCHNEIDER: Okay. Let's see. Get
23 somebody else going here too, making sure she's on her
24 way here.
25 HENRY: I'm sorry?
MR. SCHNEIDER: Okay. Let me see if I can't
get someone here on making sure she's on her way.
HENRY: Okay.
MR. SCHNEIDER: Just a moment.

1 HENRY: Okay. Thank you, Steve.
2 (Gap)
3 (Indiscernible voices in background)
4 MR. SCHNEIDER: Yeah, I heard they're getting
5 someone to get her there.
6 HENRY: I'm sorry?
7 MR. SCHNEIDER: Yeah, they're getting someone
8 to get her there.
9 HENRY: Oh, okay. Everybody sleep okay?
10 MR. SCHNEIDER TO UNIDENTIFIED PERSON: Do you
11 want Heather to be heading out or --
12 (Indiscernible voices in background)
13 MR. SCHNEIDER: Can we give you a call right
14 back there?
15 HENRY: I'm sorry?
16 MR. SCHNEIDER: Yeah, can we give you a call
17 right back there?
18 HENRY: Sure.
19 MR. SCHNEIDER: Going to try to get ahold of
20 David there and, and see if there's anything else or
21 whatever else there --
22 HENRY: Okay.
23 MR. SCHNEIDER: Okay. I'll give you a call
24 right back.
25 HENRY: Okay, fine.
 MR. SCHNEIDER: Okay, bye.
 HENRY: Thank you. Bye-bye.
 * * * * *
 MR. SCHNEIDER: Hello?

1 HENRY: Good morning.

2 MR. SCHNEIDER: Yeah, good morning.

3 HENRY: Just wanted to make sure that -- you
4 know, I wasn't sure whether I was going to call you or
5 you were going to call me.

6 MR. SCHNEIDER: Yeah. They're, they're in
7 the process yet I guess.

8 HENRY: Okay.

9 MR. SCHNEIDER: He still wants to get a few
10 things and I think --

11 HENRY: Okay. Is --

12 MR. SCHNEIDER: -- she wants to take some
13 things with her or something I guess.

14 HENRY: Okay. Is David okay this morning?

15 MR. SCHNEIDER: Yeah. Yeah, he's all right.

16 HENRY: Okay.

17 MR. SCHNEIDER: I'm just kind of looking down
18 here to see if they're -- what they're all doing here
19 yet.

20 HENRY: Okay.

21 (Gap)

22 MR. SCHNEIDER: Hello?

23 HENRY: Yes?

24 MR. SCHNEIDER: Let, let me get Rachel here
25 for a second and see just what's going on.

HENRY: Okay.

MR. SCHNEIDER: Just a moment.

(Gap)

(Indiscernible voices in background)

1 MR. SCHNEIDER: Rachel? Do you want to check
2 (indiscernible). Pardon? I was going to check to see
3 if (indiscernible).

4 (Gap)

5 RACHEL: Hello?

6 HENRY: Good morning.

7 RACHEL: Good morning.

8 HENRY: Rachel.

9 RACHEL: Yes.

10 HENRY: How are you?

11 RACHEL: Well, I was trying to get some
12 sleep.

13 HENRY: I'm sorry, I didn't -- I, I, I didn't
14 ask him to wake you.

15 RACHEL: Well, he's trying to -- he was
16 trying to get the closest female to do something I
17 guess.

18 HENRY: I'm sorry?

19 RACHEL: He was trying to get the closest
20 female nearby to do something I guess.

21 HENRY: To do what?

22 RACHEL: You know, to check on Heather.

23 HENRY: Oh, okay.

24 RACHEL: I, I believe she's sleeping.

25 HENRY: Heather is, is sleeping?

RACHEL: Um-hum.

HENRY: Okay. What happened is, when I spoke
to David last night he asked me to call first thing
this morning so we could --

1 RACHEL: Um-hum.

2 HENRY: -- you know, so we could get her out.
3 I didn't want to interfere with your, with your prayer
4 meeting, so --

5 RACHEL: Oh, yeah, right.

6 HENRY: -- so that's why I called, you know,
7 at about this time. I didn't want to call any earlier.
8 I didn't want to call at 6 o'clock, but --

9 RACHEL: Um-hum.

10 HENRY: -- you know, at the same time I
11 didn't want to interfere with your prayer meeting.

12 RACHEL: Well, I hate to wake her up.

13 HENRY: Well, do you want, do you want me to,
14 to call you back in just a little bit?

15 RACHEL: Well, you mean in a few minutes you
16 think she's going to be awake? Is that what you're
17 saying?

18 HENRY: Well, do you think she's not going to
19 be awake?

20 RACHEL: Sorry?

21 HENRY: Did you not think she's going to be
22 awake?

23 RACHEL: Well, I don't know what time she
24 went to bed. Just a minute, okay?

25 HENRY: Okay.

(Gap)

(Indiscernible children's voices in
background)

(Gap)

1 RACHEL: Is this Jim I'm speaking to?

2 HENRY: This is Henry.

3 RACHEL: Henry, sorry.

4 HENRY: That's okay.

5 RACHEL: Okay. David said that he wants to
6 see some things start clearing up and --

7 HENRY: I'm sorry?

8 RACHEL: He wants to get some things cleared
9 up.

10 CHILD'S VOICE: Mama.

11 RACHEL: And that is, first of all, he wants
12 to see that the children will be going to their
13 relatives.

14 HENRY: Okay.

15 RACHEL: And he also said we need six gallons
16 of whole milk.

17 HENRY: Six gallons of whole milk?

18 RACHEL: Um-hum, for the babies that are
19 still here. That's dirty, Bobby, don't touch that.
20 You want a banana?

21 (Child's laughter)

22 HENRY: Okay.

23 RACHEL: What?

24 (Indiscernible voices in background.

25 RACHEL: (Indiscernible) Oh, that's real
nice (indiscernible) went to the bathroom before he
went to bed.

CHILD'S VOICE: Cold (Indiscernible).

RACHEL: Well, get back under the blanket.

1 Sit down.

2 CHILD'S VOICE: (Indiscernible)

3 RACHEL: Sit down.

4 CHILD'S VOICE: (Indiscernible)

5 RACHEL: Bobby, sit down. Sit down.

6 (Child crying in background)

7 RACHEL: What's the matter? Sit down. Sit

8 down.

9 (Child crying in background)

10 RACHEL: What's the matter (indiscernible).

11 (Children's voices in background)

12 RACHEL: (Indiscernible) Bobby? Bobby?

13 CHILD'S VOICE: Uh-uh, uh-uh.

14 (Child crying in background)

15 RACHEL: Star, don't. Star, don't make her

16 cry.

17 (Child's laughter)

18 RACHEL: She thought you wanted a bite.

19 CHILD'S VOICE: (Indiscernible)

20 RACHEL: (Indiscernible) that means the

21 blanket's wet now.

22 CHILD'S VOICE: No, it isn't.

23 RACHEL: Well, it's not?

24 CHILD'S VOICE: (Indiscernible)

25 RACHEL: Okay.

(Child's voice in background)

(Child's laughter)

RACHEL: Careful. Hey, watch out. Bobby.

(Child's laughter)

6 MR. SCHNEIDER: Hello, Henry?

7 HENRY: Hello.

8 MR. SCHNEIDER: Good morning again. Yeah, I
9 was, I was talking over here with David --

10 HENRY: Um-hum.

11 MR. SCHNEIDER: -- and, and he's got
12 concerns, you know, that there's been some talk shows
13 and so forth from the radio and of course that's about
14 the only way we're getting our information other than
15 yourself. But his concern is about the children that
16 have left here already. And from the beginning when I
17 guess we were working this out and speaking with Jim
18 also, we were under the understanding that they would
19 be going to their homes or to their relatives' homes
20 very soon. And from some of the reports we've heard,
21 you know, he's not been happy and that or neither are
22 the parents that are here because they're hearing about
23 what they're all being taken through or put through.
24 At the same time we've heard much said about foster
25 homes and they had a woman psychologist on where she
was saying how she thought it was abnormal --

HENRY: Um-hum.

MR. SCHNEIDER: -- that the children were
well-behaved. I mean, if that's the society overall, I

1 mean and that -- we -- I know society has degenerated
2 into that where there's no such thing as discipline
3 anymore --

4 HENRY: Um-hum.

5 MR. SCHNEIDER: -- where no doesn't mean no
6 and --

7 HENRY: Um-hum.

8 MR. SCHNEIDER: -- so if there is a child who
9 seems to be -- well, to us there's no question, no
10 matter where these children travel or who comes to see
11 or visit them, they've always had the very highest
12 compliments.

13 HENRY: Um-hum.

14 MR. SCHNEIDER: And these children they're --
15 as you can see and observe, they've never been beat.

16 HENRY: Right.

17 MR. SCHNEIDER: But, you know, these are the
18 things we're concerned about right now.

19 HENRY: Um-hum.

20 MR. SCHNEIDER: But originally when we worked
21 this out with Jim and we talked with him we were under
22 the impression that it wouldn't be long, days is what
23 it seemed, and --

24 HENRY: Yes.

25 MR. SCHNEIDER: -- they would be to their
destination.

HENRY: Um-hum. See that -- I think that
that's what the impression was, that, that this was a
very temporary situation which was going to be such

1 that David was going to lead everybody out and they
2 would be quickly reunited with their parents.

3 MR. SCHNEIDER: Well, David said to those
4 that, you know, know and love them, he's, he's speaking
5 with me right now.

6 HENRY: Pardon me?

7 MR. SCHNEIDER: Wait just a minute. What?
8 Oh, with nonreligious relatives.

9 HENRY: I'm sorry?

10 MR. SCHNEIDER: He, he mentioned with
11 nonreligious relatives.

12 HENRY: I'm, I'm not understanding the --
13 this last part.

14 MR. SCHNEIDER: Well, meaning the, the
15 relatives -- a lot of these relatives that they'd be go
16 to -- going to are not religious anyway.

17 HENRY: Um-hum.

18 MR. SCHNEIDER: They're not with the message,
19 they're not with our group anyway, none of them are.
20 So for that reason we didn't -- David did not see that
21 there should be a problem there at all.

22 HENRY: Well, there isn't. I mean, I, I
23 don't think that that's a problem if -- well, I can
24 look into this thing, you know, and does, does he
25 anticipate that this is going to be a, a --

MR. SCHNEIDER: Oh, Henry, just, just a
minute, he's, he's saying -- he's saying something
that -- there's nothing that would make us more mad
than if some kind of a psychologist got ahold of them

1 | like this -- this woman that's advocating homosexuality
2 | or, or saying --

3 | HENRY: We are doing everything to ensure
4 | that nothing -- you know, that they're not treated as
5 | guinea pigs. You know, we want the best for this
6 | children -- for these kids.

7 | MR. SCHNEIDER: You, you would know -- of
8 | course though Henry you would know that in this world
9 | there are psychologists now that are very high ranking,
10 | in fact even with the Clinton organization.

11 | HENRY: Um-hum.

12 | MR. SCHNEIDER: Here we're talking about the
13 | President of the United States --

14 | HENRY: You know, one of the --

15 | MR. SCHNEIDER: -- wait now, where to them
16 | homosexuality is -- that should be a freedom of choice
17 | and, you know, I mean it influences on children and so
18 | forth. Well, you know, that is the most -- to us it is
19 | a very extreme opposite of what we're all about.

20 | HENRY: Okay. Listen, I've just been handed
21 | something to -- you know, with respect to the children
22 | and let me tell you what, what I've just been handed.

23 | MR. SCHNEIDER: Okay.

24 | HENRY: Apparently the children are being
25 | kept together for their own security and comfort, okay?

 MR. SCHNEIDER: Well, that's okay.

 HENRY: Okay, until, until every -- you know,
until everybody walks out.

 MR. SCHNEIDER: Can I -- just hold on.

1 HENRY: Okay, until everybody walks out.

2 MR. SCHNEIDER: He says that the children --

3 HENRY: And the child --

4 MR. SCHNEIDER: Henry, just wait, wait let me
5 tell him, let me tell him.

6 MR. SCHNEIDER: He says that the children are
7 being kept together right now for their own safety and
8 so forth, being they're used to one another. Are you
9 say -- that's not what the authorities are saying.
10 That's -- we're not -- you know, like for instance,
11 remember the news conference and so forth?

12 HENRY: Um-hum.

13 MR. SCHNEIDER: We're getting different
14 information than that, Henry.

15 HENRY: Okay. We have been advised that the
16 -- that it's a policy of the, of the Child Protective
17 Services to turn the children over to relatives. In
18 those cases where the --

19 MR. SCHNEIDER: (Indiscernible) wait -- David
20 -- do you have your Bible there? He's going to show
21 you a few scriptures really quick. We want to show you
22 what real social welfare should be. Here, I'm going to
23 -- just a moment. Are you over there, David?

24 (Pause)

25 MR. KORESH: Look at the (indiscernible)
hello?

HENRY: Good morning.

MR. KORESH: Hello?

HENRY: Hello?

1 MR. KORESH: (Indiscernible), Henry. That
2 means good morning.

3 HENRY: How are you?

4 MR. KORESH: Huh?

5 HENRY: How are you?

6 MR. KORESH: We're -- we, we -- you know,
7 we're very good. We're, we're doing all right.

8 HENRY: Okay. I understand that you have a,
9 a, a concern and I want to advise you, number one, that
10 the children are being kept together for their
11 security --

12 MR. KORESH: Remember --

13 HENRY: -- and comfort.

14 MR. KORESH: -- we're monitoring, we're
15 monitoring every lie that we've been told beginning
16 with, you know, with Jim --

17 HENRY: If you give me -- I have -- you know,
18 I listened to you to great, you know -- I listened to
19 you when --

20 MR. KORESH: I know, but if, but if, if you
21 don't --

22 HENRY: -- okay, now I want you --

23 MR. KORESH: -- apply it then like I say --

24 HENRY: Listen to me for a second this time.

25 MR. KORESH: I will.

HENRY: Just give me a chance --

MR. KORESH: I do.

HENRY: -- give me a chance to tell you.

Okay. What the Child Protective Services have advised

1 us is that it is their policy to turn the children over
2 to relatives in those cases where the parents are not
3 available, okay?

4 MR. KORESH: The parents are all available.

5 HENRY: Give, give me an opportunity to
6 finish saying what I want to say and then I'll give you
7 a chance to say what you want to say, okay?

8 MR. KORESH: Okay, that'll work. Go ahead.

9 HENRY: Okay. Since the Child Protective
10 Services don't know when the parents are going to come
11 out, you know, they will hold them until everybody
12 walks out. Now, we are prepared because we, we felt
13 that you might have a concern to provide you with a
14 videotape if you'd like to see what exactly is going on
15 with the kids. How about that?

16 MR. KORESH: Well see, they -- the helicopter
17 shot up my room all to pieces and our VCR's and stuff
18 like that -- Steve, do we have a VCR anywhere? Oh, we
19 still got one that works, not shot up? Okay. Okay.
20 We do -- we, we --

21 HENRY: Okay.

22 MR. KORESH: Standard or high eight? Okay,
23 yeah, we -- okay, we, we have, we have a standard and a
24 high eight remaining.

25 HENRY: Okay. We're -- listen, I've been
working with you and for you with this thing all the
way, not just about this thing but everything, okay?
So I -- if you have a concern I appreciate your, your
telling me and give me a chance to respond to it or to

1 | look into it. That's all that I ask.

2 | MR. KORESH: Well, we -- that's all we've
3 | been doing.

4 | HENRY: Okay, and that's what I've been doing
5 | for you. We will provide you with a, with a tape so
6 | that you can see the children and I know that your
7 | fears will be, you know, you know, that, that we can
8 | clear up any misunderstanding or any misimpression
9 | that, that's coming forth.

10 | MR. KORESH: Well, we, we do understand and
11 | agree that anything that states that our children are
12 | abnormal and stuff because they're well behaved -- see,
13 | one, one thing that's, that's implied is that, you
14 | know, the children have gone through a dramatic,
15 | dramatic experience.

16 | HENRY: Um-hum.

17 | MR. KORESH: That may be true. But the thing
18 | of it also is is that our children have also been
19 | taught just as Joseph, Isaac, you know, just as all the
20 | children of the ancient patriarchs --

21 | HENRY: Sure.

22 | MR. KORESH: -- the knowledge of God, the
23 | knowledge of trust. I mean, what kind of, what kind of
24 | story of this is that a child hears about Abraham who
25 | goes off and he's told by God to sacrifice his own son?
Now, here is a definite biblical story of child abuse.
I mean, what, what, what a test to a child's mind, that
my son the Lord shall provide unto thee a sacrifice?
The father, where is the lamb? The Lord shall provide.

1 And all of a sudden, son, the Lord has provided you for
2 a sacrifice. Now, what, what a dramatic experience.

3 HENRY: Um-hum.

4 MR. KORESH: You know, what a, what a, what a
5 shock to a child, a young man.

6 HENRY: Um-hum.

7 MR. KORESH: You know?

8 HENRY: Um-hum.

9 MR. KORESH: And then all of a sudden, the
10 Bible tells that Isaac complied, you know?

11 HENRY: Um-hum.

12 MR. KORESH: And Isaac, Isaac is going to
13 allow his father to, to kill him for a sacrifice and
14 about the time that the knife started coming down
15 towards his son's chest (indiscernible) the Lord, you
16 know, grabbed the arm of Abraham --

17 HENRY: Um-hum.

18 MR. KORESH: -- and said, now I knowest that
19 thou fearest me. Now, come off of it. You need to rip
20 that part of the Bible out. Now --

21 HENRY: Well --

22 MR. KORESH: -- now, now I have, I have never
23 brought any of my children to that point, never, ever,
24 never and I've never been required to. But the thing
25 of it is is that when Zachariah states, "Smite the
shepherd, the sheep shall be scattered, my hand shall
be upon the little ones," you know, somebody on the, on
the radio the other day had the audacity and the nerve
to misquote or mistranslate the passage saying, you

1 know, the Bible does say smite the shepherd, sheep will
2 be scattered and it says, you know, God will sacrifice
3 the little ones. No, that's not what it says. Nowhere
4 in the Hebrew manuscript or text does it say that --

5 HENRY: Um-hum

6 MR. KORESH: -- at all. And yet, you know,
7 this case of biblical apparent child abuse is praised
8 by Christians as one of the most sober tests of child
9 obedience.

10 HENRY: Um-hum.

11 MR. KORESH: You know, Christ says to the, to
12 the, to the other angels before they destroyed Sodom
13 and Gomorrah, and we know what the sin of Sodom and
14 Gomorrah was, don't we? Ezekiel says, "Idleness of
15 time and fullness of bread," --

16 HENRY: Um-hum, um-hum.

17 MR. KORESH: -- you know, and they, and they
18 went after strange flesh.

19 HENRY: Um-hum.

20 MR. KORESH: You know, they says, you know,
21 "Bring these men that we may know them," in other
22 words, they wanted to -- they were homosexuals.

23 HENRY: See, one of the things that's
24 happening here is once the, once the press has nothing
25 to report they want to try to manufacture something.

MR. KORESH: No, this was an interview with
the actual social workers out here.

HENRY: Well --

MR. KORESH: This is the social workers

1 talking. And, and the thing of it was there was, there
2 was questions given to them.

3 HENRY: See, once -- I'm sure, there's no
4 question in my mind, that once you see the tape this
5 issue will be, you know, settled. There should be no
6 question in your mind --

7 MR. KORESH: So they're still --

8 HENRY: -- that these kids are being --

9 MR. KORESH: -- they're still all together?

10 HENRY: -- taken care of in the fashion that
11 we've said that they were going to be taken care of.
12 You know, there's no reason for anybody to --

13 MR. KORESH: Well --

14 HENRY: -- to do anything except to, you
15 know, to tell the truth and, and the video will speak,
16 will speak for itself.

17 MR. KORESH: In the manner and fashion that
18 originally we were, we were agreeing with, with Jim and
19 all that was that each one of the children were given
20 the names of closest of kin which is --

21 HENRY: Okay.

22 MR. KORESH: -- usually the grandparents.

23 HENRY: Okay.

24 MR. KORESH: And it's, it's a guarantee that
25 the majority of all the grandparents, matter of fact
all the grandparents which are not involved in this
message --

HENRY: Um-hum.

MR. KORESH: -- you know, are the ones that

1 are, you know, the children always allowed to, to visit
2 and commune with their, with their, you know, close kin
3 and stuff like that.

4 HENRY: Okay. See, as I was saying, you
5 know, everybody was assuming and has been assuming that
6 it's just a question of time that, you know, when you
7 would be coming out.

8 MR. KORESH: Yeah, but when we come out we
9 also know in the process that all these women and all
10 these men and stuff are going to a system and they're
11 not going to be with their children. So --

12 HENRY: Well, I -- you know, I, I don't --

13 MR. KORESH: -- we know that as a fact.

14 HENRY: -- I don't know that, that everybody
15 is going to be, you know, incarcerated. Some of the
16 men, you know, will probably be and then some of the
17 men that, that need to, to receive medical attention
18 are going exactly there. But it's going to have to be
19 sorted out. That doesn't mean that everybody is going
20 to be incarcerated. I don't think that there's going
21 to be charges against everybody.

22 MR. KORESH: Right.

23 HENRY: So, you know --

24 MR. KORESH: But we assume that there will be
25 until it's sorted out, that's just the way it is.

HENRY: Well, it's not going to take that
long to sort this thing out in terms of who's going to
be charged and who's not going to be charged. But in
any case, I'm willing to work with you, I have no

1 | problem with this, you know? You've worked with us,
2 | you know, you told me yesterday that you were going to
3 | give me Heather, we're ready to, to, to come and pick
4 | up Heather and if you have other requests in addition
5 | to this I'll look into it. I, I'm ready to provide you
6 | a video, you know, whatever is on your mind we're,
7 | we're willing to work with you.

8 | MR. KORESH: Well, Heather definitely wants
9 | to be with her two brothers. Now --

10 | HENRY: Okay.

11 | MR. KORESH: -- let me, let me explain to you
12 | a little case history with, with Heather.

13 | HENRY: Okay.

14 | MR. KORESH: Okay? Now, Heather and Kevin
15 | and Mark are some of the children that -- you know,
16 | they've not always been with us, although they've,
17 | they've been associated to the movement for quite some
18 | time not in the respect that since, since I came along
19 | and instructed the, the people of the, of the so-called
20 | movement.

21 | HENRY: Um-hum.

22 | MR. KORESH: Okay. Now, now, now, we was
23 | talking about earlier there's always been men who have
24 | studied the scripture and found little gems of light
25 | and which they've inquired into, you know, Luther and
Knox and Wesley we was talking earlier about this. And
the -- this group of people believed that one day there
would come someone, you know, David. The, the
scripture talks about the, the House of David or David

1 would come again one day; the shepherd --

2 HENRY: Um-hum.

3 MR. KORESH: -- which they know to be as, as
4 Christ, right?

5 HENRY: Um-hum.

6 MR. KORESH: Okay. Well, finally naturally
7 when, when, when men in their hunger and desire to know
8 truth study scripture on their own they're not, they're
9 not themselves able to know all the details but there
10 are certain gems of light in the scripture which are
11 just obvious.

12 HENRY: Um-hum.

13 MR. KORESH: You know, such as the passage in
14 the last days it shall come to pass, blah, blah, blah.
15 Well, whatever there may be, there's an obvious, and
16 though a person may not be inspired of God to know the
17 details of the event, at least they see in the shadows
18 of it that there is a shadow and the shadow points
19 forward to a literal fulfillment of whatever the
20 scripture may imply.

21 HENRY: Uh-huh.

22 MR. KORESH: And so when I come along, you
23 know, what I do is I -- naturally I have to be sent to
24 those people who are the most promoted and the most
25 complete in the knowledge of the obvious.

HENRY: Right.

MR. KORESH: I mean, I'm not going, I'm not
going to be sent to the papacy --

HENRY: Um-hum.

1 MR. KORESH: -- because the papacy is not
2 going to believe anything on me --

3 HENRY: Um-hum.

4 MR. KORESH: -- because they're not going to
5 use any of the unaccepted doctrines that they do not
6 accept as evidence of my authenticity, you know?

7 HENRY: Um-hum, um-hum.

8 MR. KORESH: Okay, so, so there -- it just
9 happens that a small little remnant group on the face
10 of the earth here in Waco, Texas was the ones that God
11 chose for me to come to --

12 HENRY: Right.

13 MR. KORESH: -- because, you know, they
14 already believed in a large degree in regards to, you
15 know, someone in the latter days coming --

16 HENRY: Um-hum.

17 MR. KORESH: -- under, you know, in the, in
18 the name or under the lineage of David.

19 HENRY: Um-hum.

20 MR. KORESH: And so when, when, when, when I,
21 I come and I show them all the things that they are to
22 believe and tie it all together in the light of the
23 Revelation and, and state my purpose being the, the off
24 root and offspring of David, then all of a sudden, wow,
25 you know, they, they get the fruit of their faith.

HENRY: Sure.

MR. KORESH: The, the light is made manifest
and they --

HENRY: Um-hum.

1 MR. KORESH: -- begin to realize the actual
2 nature of this fulfillment.

3 HENRY: Uh-huh.

4 MR. KORESH: Okay. So anyway, the people
5 here are concerned in regards to, you know, here they
6 have submitted and, you know, through my counsel and
7 through my promises revolving around the prophecies,
8 you know, as, as Isaiah 49, where they are guaranteed
9 by God that although, you know, they temporarily lose
10 their children to the, to the beast, to the system --

11 HENRY: Um-hum.

12 MR. KORESH: -- God promises to very, you
13 know, miraculously and, and very, you know, through
14 great means of judgment to judge the system by this
15 means and also to, to promise to reunite these children
16 with those parents who've had faith in what, you know,
17 the prophecies --

18 HENRY: Right.

19 MR. KORESH: -- and, and these things.

20 HENRY: Right, right.

21 MR. KORESH: Okay, and of course, one of the
22 great abominations and desolations in which, you know,
23 in the New Covenant in Hebrews talks about is that, you
24 know, the thing that brings the greatest wrath of God
25 is the most, you know, defacive image that man portrays
of God and one of -- one image that God is totally
defaced by is when mankind abuses himself with strange
flesh. In other words, Paul states right before the
flood that there were men with men working that which

1 is unseemly.

2 HENRY: Um-hum.

3 MR. KORESH: You know what I mean?

4 HENRY: Right.

5 MR. KORESH: And reaching into themselves
6 with just recompense which is meat. Of course, you
7 know, the -- the subject is they received a disease
8 which they couldn't get rid of, they deserved it.

9 HENRY: Um-hum, um-hum.

10 MR. KORESH: And it was in the days of Noah
11 it is today, the, the epidemic of AIDS --

12 HENRY: Um-hum.

13 MR. KORESH: -- you know, this virus
14 which --

15 HENRY: Exactly.

16 MR. KORESH: -- which deals with a terrible
17 breaking down of the immunity of man against disease
18 and stuff.

19 HENRY: Um-hum.

20 MR. KORESH: And women burning in their
21 hearts with women, you know, forsaking the natural use
22 and going after women. And, well, you know, this is
23 something that definitely people may be born with these
24 propensities --

25 HENRY: Um-hum.

MR. KORESH: -- but they're not to be
exonerated and flaunted in the sight of God because
it's nonproductive --

HENRY: Exactly.

1 MR. KORESH: -- you know, it does not work
2 that way.

3 HENRY: Um-hum.

4 MR. KORESH: It's a very (indiscernible) you
5 know, it just doesn't -- God didn't make it that way.

6 HENRY: Right.

7 MR. KORESH: You know, we can play mud pies
8 and that's just imagination, but, but we don't really
9 eat mud pies, it doesn't work.

10 HENRY: Um-hum.

11 MR. KORESH: So anyway, anyway, how are you
12 doing this morning?

13 HENRY: I'm doing okay. I want to, you know,
14 make sure that I don't interfere with, with your prayer
15 meeting. I know that that's coming up and that's why,
16 you know, I'm, I'm not trying to hurry you up, but --

17 MR. KORESH: The daily --

18 HENRY: Yes.

19 MR. KORESH: -- the daily sacrifice, morning
20 and evening.

21 HENRY: Okay. Well, if, if we can work on
22 getting Heather out, I, I will get the, the tape to
23 you, I will work on this. Make sure that if there is
24 some inconsistency, if there is something that's not
25 exactly the way that you feel it should be, we'll work
on it. You know, I --

MR. KORESH: Okey-doke. Well, I'm not, I'm
not, I'm not jumping up and down like a --

HENRY: Okay, okay.

1 MR. KORESH: -- madman hollering and
2 screaming, I'm just simply trying to remind you that,
3 you know, especially like with what me and Jim, you
4 know, had already stated --

5 HENRY: Sure.

6 MR. KORESH: -- that certain things were --

7 HENRY: Sure.

8 MR. KORESH: Anyway, you're probably pretty
9 tired now aren't you?

10 HENRY: I am.

11 MR. KORESH: I see, okay. Well --

12 HENRY: Is Heather coming out now?

13 MR. KORESH: Yeah, we'll go ahead and send
14 her out --

15 HENRY: Okay.

16 MR. KORESH: -- like I say, but, you know,
17 she, she (indiscernible) oh, okay. Now, like I also
18 said to Jim earlier, you know, you know, if, if you all
19 need more money, now this is something that we're,
20 we're --

21 HENRY: No, no, no, no, no.

22 MR. KORESH: -- at your, we're at your mercy
23 for --

24 HENRY: We're not asking for money.

25 MR. KORESH: -- for doing these things.

HENRY: We, we, we don't --

MR. KORESH: But we need some milk.

HENRY: Oh, okay.

MR. KORESH: You know, I mean, I mean this is

1 something that's just strictly on the, on the merits
2 of, of, of, you know, your own tender hearts, but we
3 need approximately six gallons of milk. We have a lot
4 of baby feeders here --

5 HENRY: Okay.

6 MR. KORESH: -- and the thing of is is that,
7 of course, you know, the, the physical aspect of the
8 women under certain kind of -- women lose the ability
9 to produce milk under these conditions.

10 HENRY: Um-hum.

11 MR. KORESH: And so --

12 HENRY: Oh, yeah, I see what you're saying.

13 MR. KORESH: -- if, if at all possible, if at
14 all possible --

15 HENRY: Okay.

16 MR. KORESH: You know, we sent the last bits
17 of milk with the children with you all --

18 HENRY: Um-hum.

19 MR. KORESH: -- you know? But if you all
20 could, if you all could just send us some, you know,
21 regular whole milk --

22 HENRY: Okay.

23 MR. KORESH: -- you know, six gallons of it
24 we would, we would more than be grateful to you.

25 HENRY: Okay. Okay.

MR. KORESH: Is that, is that asking too
much?

HENRY: No.

MR. KORESH: Thank you very much. He said,

1 he said he would do it, Rach.

2 HENRY: Okay. I'm going to, I'm going to
3 work on the milk. I want you to send Rachel out and
4 then I'll -- I'm sorry --

5 MR. KORESH: Not Rachel --

6 HENRY: Not Rachel.

7 MR. KORESH: -- Heather.

8 HENRY: Send them both out. No, okay, go
9 ahead and send Heather out and then I'll call you as
10 soon as she gets here, hopefully I'll, you know,
11 everything squared away by then.

12 MR. KORESH: Okay. Well, when, when the van
13 comes to pick her up, you know, can you all bring the
14 milk and that way when we send her up there then, you
15 know, we could just bring the milk back?

16 HENRY: Well, I think the, the, the van is
17 already -- I'm not -- I think that they're already in
18 place, but I'll -- I can either -- I can send it to you
19 as soon as we -- let, let's get her out and then let me
20 send you the milk.

21 MR. KORESH: Okay. All right. Okay. So,
22 you want us to, to take Heather up to the same water
23 tower as we did before?

24 HENRY: Yes, yes.

25 MR. KORESH: Okey-doke. Okay. I'll --

HENRY: Wait, wait a second. Are you sending
her out on foot?

MR. KORESH: Well, no, that's, that's, that's
a long ways to walk. We'll do it just like we did

1 before, the, the little car, Sita and -- huh? --
2 Sonya, just drive her up there.

3 HENRY: You're going to send Sonya like to
4 where the ambulance was, you know, that armored
5 ambulance?

6 MR. KORESH: Well, the reason why they
7 brought the armored ambulance that time was is because
8 of the puppies. They wanted to, to make sure wasn't
9 putting any bombs or something along with the --

10 HENRY: Uh-huh.

11 MR. KORESH: -- with the little child. But
12 if you'd like to do that too we can do that.

13 HENRY: Okay. Can you walk -- can Sonya walk
14 her to the, to the -- to that location?

15 MR. KORESH: Yeah, well, if you want if she's
16 going to go there she could walk herself there.

17 HENRY: Okay. Yeah, that, that'll be good.

18 MR. KORESH: Okay.

19 HENRY: That'll be real good.

20 MR. KORESH: Well, he's saying that they,
21 they'll bring the six gallons of milk afterwards.

22 HENRY: I will.

23 MR. KORESH: (Indiscernible) that what
24 they're saying.

25 HENRY: We will.

MR. KORESH: Okay. Then, then you all can
bring the, the six gallons of milk and the armored
vehicle too and we'll just send one of the ladies up
there and --

1 HENRY: Okay.

2 MR. KORESH: Do you think Sonya can pick up
3 six gallons of -- yeah, she could. That'd be easy.
4 Okay then.

5 HENRY: Okay. She coming out now?

6 MR. KORESH: Yeah, we'll, we'll be sending
7 her out right now. Where -- just, just bring the
8 armored vehicle up and then once we see it she'll be
9 out there, okay?

10 HENRY: What is she wearing?

11 MR. KORESH: What's she wearing? Is her coat
12 blue or what? What will she be wearing? Go find out
13 real quick what color her coat is. Anyway, you'll --
14 her -- she's little and her hair is real blond.

15 HENRY: Oh, okay. Okay. You can go ahead
16 and send her then. Go ahead.

17 MR. KORESH: All right. She'll be out in a
18 little bit.

19 HENRY: She's nine year, she's nine years old
20 isn't she?

21 MR. KORESH: Heather's nine, right.

22 HENRY: Okay.

23 (Gap)

24 MR. KORESH: What about the tanks? I'm
25 sorry, Sherrie, I didn't understand you. What did you
say?

(Indiscernible female voice in background.)

MR. KORESH: Oh, it's a red coat.

HENRY: It's a red coat?

1 MR. KORESH: And a red hood.

2 HENRY: And she's got real blond hair?

3 MR. KORESH: Right.

4 HENRY: Okay.

5 MR. KORESH: So, what does it say here? It

6 says need --

7 HENRY: Milk.

8 MR. KORESH: Oh yeah, we already got this.

9 HENRY: Okay.

10 MR. KORESH: This note right here? Yeah,

11 the, the girls told me last night that --

12 (Indiscernible female voice in background.)

13 MR. KORESH: Oh, okay. Yeah, we

14 (indiscernible) until he -- he said, he said he'd work,

15 he'd work with us on that. Oops.

16 HENRY: Are you okay?

17 MR. KORESH: Oh, yeah, I just -- it was --

18 are you ready? You scared? Okay. Now, now, you may

19 need to jump around and scream a bit so you'll be

20 considered normal.

21 HENRY: (Laughter) Don't tell her that.

22 You're going to confuse her.

23 MR. KORESH: You know, you know, well, no,

24 like I say, we've always taught all of children that's

25 of adult is to be respected, you know.

HENRY: I know.

MR. KORESH: You know, as a parent and --

HENRY: And they've, they've all been real

nice, they've all been real nice.

1 MR. KORESH: I know, but I tell you, when I
2 was down there with those social workers that time,
3 that time when you all should have arrested me when I,
4 when I first had those -- someone says we were abusing
5 our children?

6 HENRY: Uh-huh.

7 MR. KORESH: You know, and I went down there
8 with Rachel and, you know, Star, Cyrus and Bobby, and
9 we was, we was down there and, and, well, Mr. Koresh,
10 what age do you believe that children should be
11 disciplined -- you know? These Mrs. Koon and Ms. --
12 what was their names? These overweighted ladies that
13 eat too much and sit on their butts too much which
14 definitely is -- is definitely a bad way to raise
15 children, I mean, you know?

16 HENRY: Sure, sure.

17 MR. KORESH: I mean, a parent should at least
18 stay in shape and keep themselves in good health so
19 they can live a long time with their children.

20 HENRY: Really.

21 MR. KORESH: You know?

22 HENRY: Um-hum.

23 MR. KORESH: And these big old fat ladies are
24 in there, you know -- now, don't get me wrong. I, I
25 liked them, I -- you know, but they got this Bible in
there and everything. And I says, I says, I says,
well, I believe in disciplining children upon
conception -- I'm sorry, pardon me? What do you mean,
Mr. Koresh?

1 HENRY: (Laughter)

2 MR. KORESH: Sort of like, you know -- and I
3 told them, I said, listen, I says, you know, God gave
4 to Israel the law, something to put in their heart, in
5 their mind --
